Final Order and Stipulated Agreement

This Final Order and Stipulated Agreement (hereinafter, “Order”) between the Commonwealth of Massachusetts Cannabis Control Commission and Cultivate Holdings, LLC (the “Respondent”) is offered for the purposes of settlement and to avoid the uncertainty and cost of future administrative action.

The Commission finds that resolution of this matter serves the purposes of 935 CMR 500.340 and 935 CMR 500.550 because Respondent has accepted responsibility for the violations set forth in the Order, cooperated in the Commission’s investigation and corrected outstanding deficiencies necessary to abate risk to public health, safety or welfare.

Accordingly, the Commission and Respondent submit to and agree as follows:

1. The Cannabis Control Commission has jurisdiction over licensed marijuana establishments and the subject matter herein pursuant to the provisions of the Commonwealth’s marijuana laws, M.G.L. Chapter 94G, and the Cannabis Control Commission regulations, 935 CMR 500.000, et seq.

2. Respondent has been subject to an investigation conducted by the Commission’s investigators. The Commission alleges violations of the Cannabis Control Commission regulations, 935 CMR 500.000, et seq.

3. Pursuant to 935 CMR 500.550, the Commission may impose a monetary fine after investigation and opportunity for a hearing at which the Respondent shall be afforded an opportunity to be heard and show cause as to why a fine or other financial penalty against the licensee should not be imposed for any acts or omissions determined to be in violation of the Commonwealth’s marijuana laws.

5. On January 30, 2019, the Commission, through its investigators, conducted an unannounced inspection of Respondent’s cultivation, product manufacturing and retail facilities at 1764 Main Street, Leicester, MA after identifying inventory discrepancies
during an audit of Respondent’s inventory entered in the Commission’s seed-to-sale System of Record.

Pursuant to the order, Respondent was required to physically segregate quarantined product and place such product on administrative hold within the Commission’s seed-to-sale System of Record. Further, the order required Respondent to post the order in a conspicuous location at Respondent’s facility.

8. On February 4, 2019, the Commission, through its investigators conducted a re-inspection of the facility and conducted a physical count of inventory and evaluation of re-labeled products.

10. On May 9, 2019, the Commission, acting through its Chief of Investigations and Enforcement, and Respondent participated in a voluntary dispute resolution conference held at the offices of the Cannabis Control Commission.

11. The Commission, through its Executive Director, and Respondent have come to mutual agreement and understanding and jointly proposed to the Commission a resolution of alleged violations in lieu of proceeding through an administrative hearing to determine the merits of such allegations. The terms and conditions of this Order and Stipulated Agreement are expressly subject to the ratification of the Cannabis Control Commission by majority vote of its Commissioners.
