EXPEDITED REVIEW AFFIDAVIT

The Cannabis Control Commission (“Commission”) implemented a process for expedited review of license applications for minority- (“MBE”), women- (“WBE”), and veteran-owned (“VBE”) businesses. In order to receive expedited review as one of these groups, the proposed Marijuana Establishment (“applicant”) must be certified with the Supplier Diversity Office (“SDO”) as a MBE, WBE, and/or VBE, or in the alternative, take the appropriate steps outlined below.

**Instructions**

If the applicant is certified by the SDO as an MBE, WBE, and/or VBE, please upload your current SDO certification letter into your application(s) and ensure the appropriate designation has been made in your application’s Application of Intent. If already certified by the SDO as an MBE, WBE, and/or VBE, this affidavit is not required.

If the applicant is not certified as an MBE, WBE, and/or VBE yet, you may still receive expedited review if you comply with the following:

1. If not already completed, the applicant will need to identify their MBE, WBE, and/or VBE status in their application’s Application of Intent;
2. Sign up for, and attend, the SDO’s Pre-Certification Workshop class; and
3. Complete and notarize this affidavit. Upload the completed affidavit, along with the SDO’s Pre-Certification Workshop class confirmation email, into your application’s Application of Intent.

If seeking expedited review as an MBE, WBE, and/or VBE, please ensure that the above has been completed. All affidavits and proof of class sign up for one of the owners shall be combined into a single PDF document. This document should be uploaded into your license application’s Application of Intent.

If you are not certified at this time, you may apply to the SDO and later provide certification. Information pertaining to the SDO and certification is available on the SDO’s website: https://www.mass.gov/supplier-diversity-office.
