2. COMPANY DESCRIPTION

2.1 Structure
Ascend is a Massachusetts domestic for-profit corporation interested in applying for a Certificate of Registration from the Massachusetts Cannabis Control Commission (the “Commission”) to operate a ME in the Commonwealth.

Ascend will file, in a form and manner specified by the Commission, an application for licensure as a ME consisting of three packets: An Application of Intent packet; a Background Check packet; and a Management and Operations Profile packet.

2.2 Operations

Ascend will be located at 268-274 Friend Street in Boston, Massachusetts.

The facility is well positioned and matches the ideal picture of an adult use marijuana dispensary. Before taking over the facility, it was used as a large retail outlet and remains in good condition.

The facility encompasses a total of 16,000 square feet over four (4) floors.

Ascend will establish inventory controls and procedures for reviewing comprehensive inventories of marijuana products in the process of cultivation and finished, stored marijuana; conduct a monthly inventory of marijuana; conduct a comprehensive annual inventory at least once every year after the date of the previous comprehensive inventory; and promptly transcribe inventories if taken by use of an oral recording device.

Ascend will tag and track all marijuana seeds, clones, plants, and marijuana products using a seed-to-sale methodology in a form and manner approved by the Commission.

No marijuana product, including marijuana, will be sold or otherwise marketed that is not tested by Independent Testing Laboratories, except as allowed under 935 CMR 500.000.

Ascend will maintain records which will be available for inspection by the Commission upon request. The records will be maintained in accordance with generally accepted accounting principles. Records will be maintained for at least 12 months.

Ascend will obtain and maintain general liability insurance coverage for no less than $1,000,000 per occurrence and $2,000,000 in aggregate, annually, and product liability insurance coverage for no less than $1,000,000 per occurrence and $2,000,000 in aggregate, annually, except as provided in 935 CMR 500.105(10)(b) or otherwise approved by the Commission. The deductible for each policy will be no higher than $5,000 per occurrence.

Ascend will provide adequate lighting, ventilation, temperature, humidity, space, and equipment, in accordance with applicable provisions of 935 CMR 500.105 and 500.110.

All recyclables and waste, including organic waste composed of or containing finished marijuana and marijuana products, will be stored, secured, and managed in accordance with applicable state
and local statutes, ordinances, and regulations. Organic material, recyclable material, solid waste, and liquid waste containing marijuana or by-products of marijuana processing will be disposed of in compliance with all applicable state and federal requirements.

Ascend will demonstrate consideration of the factors for Energy Efficiency and Conservation outlined in 935 CMR 500.105(15) as part of its operating plan and application for licensure.

Prior to commencing operations, Ascend will provide proof of having obtained a surety bond in an amount equal to its licensure fee payable to the Marijuana Regulation Fund. The bond will ensure payment of the cost incurred for the destruction of cannabis goods necessitated by a violation of St. 2016, c. 334, as amended by St. 2017, c. 55 or 935 CMR 500.000 or the cessation of operation of Ascend.

Ascend and Ascend agents will comply with all local rules, regulations, ordinances, and bylaws.

### 2.3 Security

Ascend will contract with a professional security and alarm company to design, implement, and monitor a comprehensive security plan to ensure that the facility is a safe and secure environment for employees and the local community.

Ascend’s state-of-the-art security system will consist of perimeter windows, as well as duress, panic, and holdup alarms connected to local law enforcement for efficient notification and response in the event of a security threat. The system will also include a failure notification system that will immediately alert the executive management team if a system failure occurs.

A redundant alarm system will be installed to ensure that active alarms remain operational if the primary system is compromised.

Interior and exterior HD video surveillance of all areas that contain marijuana, entrances, exits, and parking lots will be operational 24/7 and available to the Boston Police Department. These surveillance cameras will remain operational even in the event of a power outage.

The exterior of the dispensary and surrounding area will be sufficiently lit, and foliage will be minimized to ensure clear visibility of the area at all times.

Only Ascend’s registered agents and other authorized visitors (e.g. contractors, vendors) will be allowed access to the facility, and a visitor log will be maintained in perpetuity.

All agents and visitors will be required to visibly display an ID badge, and Ascend will maintain a current list of individuals with access.

On-site consumption of marijuana by Ascend’s employees and visitors will be prohibited.

Ascend will have security personnel on-site during business hours.
2.4 Zoning

Ascend will remain compliant at all times with the local zoning requirements set forth in the City of Boston’s Zoning Code. In accordance with Article 46 of the Boston Zoning Code, Ascend’s proposed Cannabis Establishment is a conditional use allowed by Zoning Board of Appeal approval in the Bulfinch Triangle General Area.

In compliance with 935 CMR 500.110(3), the property is not located within 500 feet of an existing public or private school providing education to children in kindergarten or grades 1 through 12.

As required by Boston’s Zoning Code, Ascend will obtain conditional approval from the Boston Zoning Board of Appeal and submit long form permits to the City of Boston’s Inspectional Services Department.

Ascend will apply for any other local permits required to operate a Cannabis Establishment at the proposed location, including any that may be promulgated by the Boston Public Health Commission and/or License Commission.

Ascend has already attended several meetings with various municipal officials and boards to discuss Ascend’s plans for a proposed facility and has executed a Host Community Agreement with the City of Boston. Ascend will continue to work cooperatively with various municipal departments, boards, and officials to ensure that Ascend’s facility remains compliant with all local laws, regulations, rules, and codes with respect to design, construction, operation, and security.

Ascend has also retained the law firm Vicente Sederberg LLC to assist with ongoing compliance with local zoning requirements.

4. **PRODUCT / SERVICE**

4.1 **Dispensing Procedures**

In accordance with 935 CMR 500.140(3), access to Ascend’s facility is limited to individuals 21 years of age and older. Upon a customer’s entry into the Ascend premises, an Ascend agent will immediately inspect the customer’s proof of identification and determine the individual’s age. An individual will not be admitted to the premises unless the retailer has verified that the individual is 21 years of age or older by an individual’s proof of identification. At the door, a designated staff member will collect valid customer identification and confirm a minimum age of 21 years old, failing the confirmation of 21 years of age or older, an individual will be prohibited from entering the premises.

Once inside the retail area, customers will enter a queue to obtain individualized service where they may select any of the products available to them with the help of an Ascend agent. Upon checkout, customers will be required to confirm their identities and age a second time. Check out also activates the seed-to-sale tracking system that is compliant with 935 CMR 500.105(8).

Per M.G.L. c. 94G § 7, sales are limited to one ounce of marijuana flower or five grams of marijuana concentrate per transaction. All required taxes will be collected at the point of sale.

Once a customer has selected a product for purchase, an Ascend agent will collect the chosen items from the designated product storage area. An Ascend agent will then scan each product barcode into the point of sale system. In the event of a flower sale, staff will weigh the chosen amount of flower and then place it in a tamper-resistant/child-resistant, resealable package that is compliant with 935 CMR 500.105(5). An Ascend agent will affix a label, as generated by the point of sale system, indicating the date, strain name, cannabinoid profile, and all applicable warnings detailed in 935 CMR 500.105.

In the event an Ascend agent determines an individual would place themselves or the public at risk, the agent will refuse to sell any marijuana products to the consumer. Ascend will use the point of sale security system to accept payment and complete sales. The system can back up and securely cache each sale for inspection.

Pursuant to 935 CMR 500.140(6)(d), Ascend will conduct a monthly analysis of its equipment and sales data to determine that no software has been installed that could be utilized to manipulate or alter sales data and that no other methodology has been employed to manipulate or alter sales data. If any such malware is found, Ascend will immediately report the occurrence to the Commission and assist in any subsequent investigation into the matter. Ascend will maintain a record of the monthly analyses and will make it available for inspection by the Commission upon request. Further, Ascend will cooperate with the Commission and the Department of Revenue to ensure compliance with any and all taxes in accordance with the laws of the Commonwealth and 935 CMR 500.000.

Ascend places a premium on cleanliness, hygiene, and proper product storage to achieve and maintain successful operation of the business. In addition to regularly sanitizing surfaces with products kept separately and away from marijuana products, Ascend staff will ensure personal hygiene including washing hands throughout the day and before handling or dispensing any
marijuana products. All products available for sale and consumption will be tested for impurities and subjected to Ascend’s policies governing quality control per 935 CMR 500.105.

In compliance with 935 CMR 5001.140(8), Ascend will provide educational materials designed to help consumers make informed marijuana product purchases. Ascend’s educational materials will describe the varying types of products available at Ascend, as well as the types and methods of consumption. The materials will offer education on cannabis titration: the method of using the smallest amount of a given marijuana product necessary to bring about the desired effect. Additional topics discussed in consumer materials will include potency; proper dosing; the delayed effects of edible marijuana products; and substance abuse and related treatment programs, marijuana tolerance, dependence, and withdrawal.

4.2 Pricing Structure

Ascend’s pricing structure will vary based on market conditions. Ascend plans to sell products of superior quality and will price its products accordingly.

4.3 Customer Education

FIRST VISIT: Customers visiting the facility for the first time will go through an intake process where they receive a primer on regulations surrounding cannabis; how to safely consume, store, and transport their product; and information regarding strains, dosage, and desired effects. All customers will be required to review and sign a community norms agreement, in which they certify that they understand that the ability to utilize an Ascend store is contingent on respect for the surrounding neighborhood. Public consumption, diversion, queuing, loitering, and other behaviors are not tolerated and practicing them will eliminate the opportunity for future store visits.

VISUAL MATERIALS: Flyers, pamphlets, and other materials will be available in the entry vestibule as well as throughout the dispensary floor. There will also be signage proximate to point-of-sale terminals reminding customers about the consequences of product diversion.

AUDITORY REMINDERS: In a friendly, approachable manner, customer service representatives will educate customers at the point of sale about how to safely store, consume, and transport their product.

TAKEAWAY MATERIALS: Product safety guides and general informational material will be placed in each and every bag to ensure customers have access to safety materials when they intend to utilize the product.

5.2 Communication
Ascend will engage in reasonable marketing, advertising, and branding practices that do not jeopardize the public health, welfare, or safety of the general public, or promote the diversion of marijuana or marijuana use in individuals younger than 21 years old. Any such marketing, advertising, and branding created for viewing by the public will include the statement: “Please Consume Responsibly,” in a conspicuous manner on the face of the advertisement and will include a minimum of two of the warnings, located at 935 CMR 500.105(4)(a), in their entirety in a conspicuous manner on the advertisement.

All marketing, advertising, and branding produced by or on behalf of Ascend will include the following warning, including capitalization, in accordance with M.G.L. c. 94G, § 4(a½)(xxvi):
“This product has not been analyzed or approved by the Food and Drug Administration (FDA). There is limited information on the side effects of using this product, and there may be associated health risks. Marijuana use during pregnancy and breast-feeding may pose potential harms. It is against the law to drive or operate machinery when under the influence of this product. KEEP THIS PRODUCT AWAY FROM CHILDREN. There may be health risks associated with consumption of this product. Marijuana can impair concentration, coordination, and judgment. The impairment effects of edible marijuana may be delayed by two hours or more. In case of accidental ingestion, contact poison control hotline 1-800-222-1222 or 9-1-1. This product may be illegal outside of MA.”

Ascend will communicate with customers through:
1. A company run website;
2. A company blog;
3. Popular cannabis discover networks such as WeedMaps and Leafly;
4. Popular social media platforms such as Instagram, Facebook, Twitter, and SnapChat;
5. Opt-in direct communications; and
6. Through in-store signage

Ascend will provide a catalogue and a printed list of the prices and strains of marijuana available to consumers and will post the same catalogue and list on its website and in the retail store.

5.3 Sales
Ascend will sell its product and service by engaging customers with knowledgeable in-store
personnel.

Ascend will seek events where 85% or more of the audience is reasonably expected to be 21 years of age or older, as determined by reliable, current audience composition data. At these events, Ascend will market its products and services to reach a wide range of qualified consumers.

Ascend will ensure that all marijuana products that are provided for sale to consumers are sold in tamper or child-resistant packaging. Packaging for marijuana products sold or displayed for consumers, including any label or imprint affixed to any packaging containing marijuana products or any exit packages, will not be attractive to minors.

Packaging for marijuana products sold or displayed for consumers in multiple servings will allow a consumer to easily perform the division into single servings and include the following statement on the exterior of the package in a printed font that is no smaller than ten-point Times New Roman, Helvetica, or Arial, including capitalization: “INCLUDES MULTIPLE SERVINGS.” Ascend will not sell multiple serving beverages and each single serving of an edible marijuana product contained in a multiple-serving package will be marked, stamped, or otherwise imprinted with the symbol issued by the Commission under 935 CMR 500.105(5) that indicates that the single serving is a marijuana product. At no point will an individual serving size of any marijuana product contain more than five (5) milligrams of delta-nine tetrahydrocannabinol.

5.4 Logo
Ascend has developed a logo to be used in labeling, signage, and other materials such as letterhead and distributed materials.

The logo is discreet, unassuming, and does not use medical symbols, images of marijuana, related paraphernalia, or colloquial references to cannabis or marijuana.

Dispensing Procedures

In accordance with 935 CMR 500.140(3), access to Ascend’s facility is limited to individuals 21 years of age and older. If the individual is younger than 21 years old but 18 years of age or older, he or she will not be admitted unless he or she is a registered qualifying patient or caregiver and produces an active Program ID Card issued by the DPH. If the individual is younger than 18 years old, he or she will not be allowed on the premises unless he or she is a registered qualifying patient and produces an active medical registration card and he or she is accompanied by a personal caregiver with an active Program ID Card. In addition to the Program ID Card, registered qualifying patients under the age of 21 and personal caregivers must also produce proof of identification. Upon a customer’s entry into the Ascend premises, an Ascend agent will immediately inspect the customer’s proof of identification and determine the individual’s age. An individual will not be admitted to the premises unless the retailer has verified that the individual is 21 years of age or older by an individual’s proof of identification. At the door, a designated staff member will collect valid customer identification and confirm a minimum age of 21 years old, failing the confirmation of 21 years of age or older, an individual will be prohibited from entering the premises.

Once inside the retail area, customers will enter a queue to obtain individualized service where they may select any of the products available to them with the help of an Ascend agent. Point of sale stations for adult-use and medical sales will be physically separated as described below. Upon checkout, customers will be required to confirm their identities and age a second time. Check out also activates the seed-to-sale tracking system that is compliant with 935 CMR 500.105(8).

Per M.G.L. c. 94G § 7, sales are limited to one ounce of marijuana flower or five grams of marijuana concentrate per transaction. All required taxes will be collected at the point of sale.

Once a customer has selected a product for purchase, an Ascend agent will collect the chosen items from the designated product storage area. An Ascend agent will then scan each product barcode into the point of sale system. In the event of a flower sale, staff will weigh the chosen amount of flower and then place it in a tamper-resistant/child-resistant, resealable package that is compliant with 935 CMR 500.105(5). An Ascend agent will affix a label, as generated by the point of sale system, indicating the date, strain name, cannabinoid profile, and all applicable warnings detailed in 935 CMR 500.105.

In the event an Ascend agent determines an individual would place themselves or the public at risk, the agent will refuse to sell any marijuana products to the consumer. Ascend will use the point of sale security system to accept payment and complete sales. The system can back up and securely cache each sale for inspection.

Pursuant to 935 CMR 500.140(6)(d), Ascend will conduct a monthly analysis of its equipment and sales data to determine that no software has been installed that could be utilized to manipulate or alter sales data and that no other methodology has been employed to manipulate or alter sales data. If any such malware is found, Ascend will immediately report the occurrence to the Commission and assist in any subsequent investigation into the matter. Ascend will maintain a record of the monthly analyses and will make it available for inspection by the Commission upon request. Further, Ascend will cooperate with the Commission and the Department of
Revenue to ensure compliance with any and all taxes in accordance with the laws of the Commonwealth and 935 CMR 500.000.

Ascend will maintain and provide to the Commission on a biannual basis accurate sales data collected during the six months immediately preceding this application for the purpose of ensuring an adequate supply of marijuana and marijuana products under 935 CMR 500.140(10).

Ascend will utilize a temporary or semi-permanent physical barrier to provide a physical separation between the medical and adult-use sales areas. Ascend will only utilize a barrier that, in the opinion of the Commission, provides adequate separation of the sales areas of marijuana product for medical use and adult use. Ascend will provide for separate queues for sales of marijuana products for medical use from marijuana products for adult use within the sales area; provided, however, that the holder of a Program ID Card may use either line and will not be limited only to the medical use queue. Ascend retail locations will provide an area that is separate from the sales floor to allow for confidential patient consultation. Ascend will utilize separate accounting practices at the point of sale to track marijuana product sales and non-marijuana sales.

Ascend places a premium on cleanliness, hygiene, and proper product storage to achieve and maintain successful operation of the business. In addition to regularly sanitizing surfaces with products kept separately and away from marijuana products, Ascend staff will ensure personal hygiene including washing hands throughout the day and before handling or dispensing any marijuana products. All products available for sale and consumption will be tested for impurities and subjected to Ascend’s policies governing quality control per 935 CMR 500.105.

In compliance with 935 CMR 5001.140(8), Ascend will provide educational materials designed to help consumers make informed marijuana product purchases. Ascend’s educational materials will describe the varying types of products available at Ascend, as well as the types and methods of consumption. The materials will offer education on cannabis titration: the method of using the smallest amount of a given marijuana product necessary to bring about the desired effect. Additional topics discussed in consumer materials will include potency; proper dosing; the delayed effects of edible marijuana products; and substance abuse and related treatment programs, marijuana tolerance, dependence, and withdrawal.
Diversity Plan

Ascend Mass, LLC (“Ascend Mass”) believes in creating and sustaining a robust policy of inclusivity and diversity. Ascend Mass recognizes that diversity in the workforce is key to the integrity of a company’s commitment to its community. Ascend Mass’s diversity plan is designed to promote equity among minorities, women, veterans, people with disabilities, and people who identify as LBGQT+. Ascend Mass will make every effort to employ and advance in employment qualified and diverse people at all levels within the company.

Goals

Ascend Mass seeks to develop a Diversity Plan that promotes equity among minorities, women, veterans, people with disabilities, and people of all gender identities and sexual orientations. Ascend Mass has developed specific goals, including:

1. Increasing the number of individuals falling into the above-listed demographics working in the establishment to 45 percent; and
2. Providing tools to ensure the success of individuals falling into the above-listed demographics.

Diversity Recruitment and Sourcing

Ascend Mass commits to local hiring for all of its retail locations. It will establish and maintain an inclusive, diverse workforce using both innovative and traditional methods to recruit job candidates from underrepresented groups and communities of color. Ascend Mass has developed strategic initiatives to ensure a diverse and qualified staff stands ready to serve its customers’ needs.Ascend Mass’s recruitment efforts are designed to maintain a steady flow of qualified diverse applicants and includes the following steps:

• Hosting two career fairs annually in the City of Boston;
• Advertising quarterly employment opportunities in diverse publications including bilingual media, e.g., El Planeta and El Mundo and posting job options on public boards;
• Whenever new employment opportunities arise, providing briefings to representatives from recruitment sources tailored to individuals falling in the above-listed demographics concerning current and future job openings. In response to the Commission’s inquiry, Ascend will focus heavily on employee retention in order to promote company stability and employee skill building, thus it is difficult to state with precision how many briefings will be needed;
• Encouraging employees to refer applicants from diverse groups for employment whenever new employment opportunities arise and are publicized to employees. In response to the Commission’s inquiry, Ascend does not anticipate designating a specified percentage of applicants for referrals; and
• Utilizing Zip Recruiter to reach over 100 online career and job websites, as well as social media.

Employee Retention, Training and Development

Perhaps the most critical element of maintaining a diverse and inclusive workforce is keeping the pathways to professional development and promotion open for all employees. Therefore, Ascend Mass’ mentoring, training, and professional development programs are structured with the intention of finding, fostering, and promoting diverse employees.

Ascend Mass will offer promotions, career counseling, and training to provide all employees with opportunity for growth and to decrease turnover. Ascend Mass will proactively communicate opportunities for advancement, training programs and clearly-defined job descriptions. Training programs will be both internal and external to the company and cannabis industry and may include topics such as: marijuana cultivation techniques, product
manufacturing techniques, retail practices, compliance, writing, management training, and industry seminars provided at annual conferences such as MJBizCon. Ascend Mass anticipates hosting bi-annual educational trainings (two each year).

Additionally, Ascend Mass will:

- Create employee resource groups for different communities that hold regular, open events, educate staff and encourage an internal desire for a more diverse workforce;
- Create a diverse cadre of veteran employees help create content for and present at new employee orientation and training so that each group of new hires sees themselves, their potential future with the company and an inclusive workplace reflected in Ascend Mass training staff.
- Use at least 40 percent of suppliers who are also committed to diversity and inclusion, identified throughout the procurement process specifically through questions about commitment to diversity, measurement of current diversity within organizations, and proactive diversity planning

Ascend Mass’ diverse workplace and cultural competence training will, of course, emphasize its zero-tolerance policy regarding harassment and discrimination and its commitment to take prompt corrective action should any issues, concerns, or complaints arise. But it will not just focus on prohibited behavior and consequences. It will focus on the positives of personal growth, education and deeper life experience an inclusive workplace brings and highlight the well-documented business benefits as well.

All employees will be required to complete this training, which is not stand-alone, but will be fully incorporated into Ascend Mass’ general training program so as to emphasize its importance to the company’s ethos and overall mission.

Broad company awareness of the Diversity Plan goals and Ascend Mass’ efforts to create an inclusive, culturally competent workplace is crucial to the company’s success. New hires will be introduced to the Diversity Plan at orientation.

Management, staff, associates, vendors, contractors, and the general public will all benefit from knowledge of the Diversity Plan objectives and procedures. Dissemination and reinforcement of the information central to the Diversity Plan’s goals include the following:

- Inclusion of Ascend Mass’s zero-tolerance policies for harassment, discrimination, bullying and other behavior adverse to Ascend Mass’s goal for a diverse workforce;
- Postings in suitable areas for employee communication;
- Annual diversity training programs for all employees;
- Quarterly progress evaluation meetings with appropriate personnel; and
- Formal presentations made to management and employees on diversity initiatives.

Measuring Progress
Ascend Mass will establish a Diversity Committee (the “Committee”) to assist the executive management team and compliance officer with the implementation and growth of the Diversity Plan. The initial members of the Committee will be selected based on their diverse status and their personal commitments to diversity. All employees will be made aware of the Committee and invited to join if it is of interest.

Ascend will not tolerate harassment or discrimination on the basis of sex, race, color, national origin, age, religion, disability, sexual orientation, gender identity, gender expression, or any other trait or characteristic protected by any applicable federal, state, or local law or ordinance. Harassment or discrimination on the basis of any protected trait or characteristic is contrary to Ascend’s values and is a violation of the Company Code of Conduct. Harassment is a form of discrimination. There is a broad range of behavior that could constitute harassment. In general, harassment is any verbal or physical conduct that:

- Has the purpose or effect of creating an intimidating, hostile, or offensive working environment;
- Has the purpose or effect of unreasonably interfering with an individual’s work performance; or
- Adversely affects an individual’s employment opportunities.

Employees are expected to maintain the highest degree of professional behavior. Any harassment or discrimination by employees is strictly prohibited. Any and all acts of violence in the workplace will result in immediate dismissal of the employee, customer, or parties involved. Law enforcement will be contacted immediately in the case of a violent event. Weapons are not permitted to be brought on site by employees, customers, or other
parties. Any employee found carrying a weapon on the premises of an Ascend facility will be immediately terminated, and any customer found carrying a weapon on the premises will be asked to leave and/or the police will be notified accordingly.

At-Will Employment
In the state of Massachusetts, employment is assumed to be at-will unless otherwise stated. At-will employment implies that employer and employee alike may terminate the work relationship at any given moment and for any legitimate purpose. Wrongful termination may be more difficult to prove in an at-will arrangement because of the freedom that each party has to end the employment. However, there are still many instances wherein a termination or discharge can be called wrongful, even in an at-will employment.

Workplace Attire
The required attire for registered agents at Ascend varies based upon required duties. New hire training and the onboarding process will go over the workplace attire specific to each role and the department manager will be responsible for ensuring compliance with all requirements is met.

Job classification is comprised of three rank tiers: Executive Management, Management, and Non-Management Employee.

Work Schedules
Work schedules will be either part-time, full-time, or salaried, depending of the specific position. Schedules will be set according to the needs of each department as determined by the department manager and the executive manager they report to. It is the department manager’s responsibility to develop and implement a work schedule that provides necessary duty and personnel coverage but does not exceed what is required for full implementation of operations. It is also the department manager’s responsibility to ensure that adequate coverage occurs on a daily basis and does not lead to unnecessary utilization of overtime coverage.

Mandatory Meetings and Community Service Days
There will be a mandatory, reoccurring company-wide meeting on a monthly basis. All personnel will be notified if their attendance is required. Certain personnel, such as housekeeping staff, may not be required to attend. Each department will have a mandatory weekly meeting scheduled by the department manager. Daily breaks, including lunch breaks, will comply with the laws of the Commonwealth.

Performance Reviews
Performance reviews will be conducted by executive or department managers. Reviews will be conducted at three-month intervals for new employees during the first year and at six-month intervals thereafter. A written synopsis must be provided to, and signed by, the employee under review. Reviews must be retained in each employee’s employment file. Performance reviews must take into account positive performance factors and areas requiring improvement. Scoring systems may be utilized to help reflect an employee’s overall performance.

**Disciplinary Policies**

*Purpose*

Ascend’s progressive discipline policies and procedures are designed to provide a structured corrective action process to improve and prevent a recurrence of undesirable behavior and/or performance issues. The steps outlined below of Ascend’s progressive discipline policies and procedures have been designed consistent with Ascend’s organizational values, best practices, and state and federal employment laws. Ascend reserves the right to combine or skip steps depending upon the facts of each situation and the nature of the offense. The level of disciplinary intervention may also vary. Some of the factors that will be considered are whether the offense is repeated despite coaching, counseling, and/or training; the employee’s work record; and the impact the employee’s performance, conduct and/or attendance issues have on Ascend as an organization.

*Procedure*

**Step 1: Counseling and Verbal Warning**

Step 1 creates an opportunity for the immediate supervisor to schedule a meeting with an employee to bring attention to the existing performance, conduct, or attendance issue. The supervisor should discuss with the employee the nature of the problem and/or violation of company policies and procedures. The supervisor is expected to clearly outline expectations and steps the employee must take to improve performance or resolve the problem.

Within five business days, the supervisor will prepare written documentation of a Step 1 meeting. The employee will be asked to sign the written documentation. The employee’s signature is needed to demonstrate the employee’s understanding of the issues and the corrective action needed.

**Step 2: Written Warning**

While it is hoped that the performance, conduct, or attendance issues that were identified in Step 1 have been corrected, Ascend recognizes that this may not always be the case. A written warning involves a more formal documentation of the performance, conduct, or attendance issues and consequences.

During Step 2, the immediate supervisor and a department manager or director will meet with the employee and review any additional incidents or information about the performance, conduct, or attendance issues as well as any prior relevant corrective action plans. Management will outline the consequences for the employee of his or her
continued failure to meet performance, conduct and/or attendance expectations. A formal performance improvement plan (PIP) requiring the employee’s immediate and sustained corrective action will be issued within five business days of a Step 2 meeting. A warning outlining that the employee may be subject to additional discipline up to and including termination if immediate and sustained corrective action is not taken may also be included in the PIP.

**Step 3: Suspension and Final Written Warning**

There may be performance, conduct, or safety incidents so problematic and harmful that the most effective action may be the temporary removal of the employee from the workplace. When immediate action is necessary to ensure the safety of the employee or others, the immediate supervisor may suspend the employee pending the results of an investigation.

Suspensions that are recommended as part of the normal progression of the progressive discipline policies and procedures are subject to approval from a next-level manager and the Human Resources Manager.

Depending upon the seriousness of the infraction, an employee may be suspended without pay in full-day increments consistent with federal, state and local wage-and-hour employment laws. Nonexempt/hourly employees may not substitute or use an accrued paid vacation or sick day in lieu of the unpaid suspension. Due to Fair Labor Standards Act (FLSA) compliance issues, unpaid suspension of salaried/exempt employees is reserved for serious workplace safety or conduct issues. The Human Resources Manager will provide guidance so that discipline is administered without jeopardizing the FLSA exemption status.

Pay may be restored to an employee if an investigation of the incident or infraction absolves the employee.

**Step 4: Recommendation for Termination of Employment**

The last and most serious step in the progressive discipline procedures is a recommendation to terminate employment. Generally, Ascend will try to utilize the progressive steps of this policy by first providing warnings, a final written warning, and/or suspension from the workplace before proceeding to a recommendation to terminate employment. However, Ascend reserves the right to combine and skip steps depending upon the circumstances of each situation and the nature of the offense, and an employee may be terminated without prior notice or disciplinary action.

Management’s recommendation to terminate employment must be approved by the Human Resources Manager and department manager or designee. Final approval may be required from the CEO or designee.

Nothing in this policy provides any contractual rights regarding employee discipline or counseling nor should anything in this policy be read or construed as modifying or altering the employment-at-will relationship between Ascend and its employees.

**Appeal Process**

Any employee subject to a disciplinary action will have the opportunity to present information on their own behalf that may challenge information management relied upon in making the decision to issue the disciplinary action. The purpose of this appeal process is to provide insight
into extenuating circumstances that may have contributed to the employee’s performance, conduct and/or attendance issues, while allowing for an equitable solution. If an employee does not present information on their own behalf during a step meeting, they will have five business days after the meeting to present such information to the supervisor who conducted the meeting.

**Performance and Conduct Issues Not Subject to Progressive Discipline**

Behavior that is illegal is not subject to progressive discipline and may be reported to local law enforcement. Theft, intoxication at work, fighting and other acts of violence are also not subject to progressive discipline and may be grounds for immediate termination.

**Documentation**

Any employee subject to progressive discipline will be provided with copies of all relevant documentation related to the progressive discipline process, including all PIPs. The employee will be asked to sign copies of this documentation attesting to their receipt and understanding of the corrective action outlined in these documents. Copies of these documents will be placed in the employee’s official personnel file.

**Separation of Employment**

Separation of employment within an organization can occur for several different reasons. Employment may end as a result of resignation, retirement, release (end of season or assignment), reduction in workforce, or termination. When an employee separates from Ascend, the employee’s supervisor must contact the Human Resources Manager to schedule an exit interview, which will typically take place on the employee’s last workday.

**Types of Separation**

1. **Resignation**

   Resignation is a voluntary act initiated by the employee to end employment with Ascend. The employee must provide a minimum of two (2) weeks’ notice prior to resignation. If an employee does not provide advance notice or fails to actually work the remaining two weeks, the employee will be ineligible for rehire. The resignation date must not fall on the day after a holiday.

2. **Retirement**

   An employee who wishes to retire is required to notify their department director and the Human Resources Manager in writing at least one (1) month before planned retirement date. It is the practice of Ascend to give special recognition to employees at the time of their retirement.

3. **Job Abandonment**

   An employee who fails to report to work or contact their supervisor for two (2) consecutive workdays will be considered to have abandoned their job without notice effective at the end of the employee’s normal shift on the second day. The department manager will notify the Human Resources Manager at the expiration of the second workday and initiate the paperwork to terminate the employee. Employees who are separated due to job abandonment are ineligible for rehire.

4. **Termination**

   Employees of Ascend are employed on an at-will basis, and the company retains the right to terminate an employee at any time.

5. **Reduction in Workforce**
An employee may be laid off due to changes in duties, organizational changes, lack of funds, or lack of work. Employees who are laid off may not appeal the layoff decision through the appeal process.

6. **Release**

Release is the end of temporary or seasonal employment. The Human Resources Manager, in consultation with the department manager, will inform the temporary or seasonal worker of their release according to the terms of the individual’s temporary employment.

**Exit Interview**

The separating employee will contact the HR department as soon as notice is given to schedule an exit interview. The interview will be held on the employee’s last day of work or another day, as mutually agreed upon.

**Return of Property**

The separating employee must return all company property at the time of separation, including but not limited to, uniforms, cell phones, keys, computers, and identification cards. Failure to return certain items may result in deductions from the employee’s final paycheck. All separating employees will be required to sign a Wage Deduction Authorization Agreement, allowing Ascend to deduct the costs of such items from their final paycheck.

**Termination of Benefits**

An employee separating from Ascend is eligible to receive benefits as long as the appropriate procedures are followed as stated above. Two weeks’ notice must be given, and the employee must work the full two work weeks. Accrued vacation leave will be paid in the last paycheck. Accrued sick leave will be paid in the last paycheck.

**Health Insurance**

Health insurance terminates on the last day of the month of employment, unless employee requests immediate termination of benefits. Information about the Consolidated Omnibus Budget Reconciliation Act (COBRA) continued health coverage will be provided. Employees will be required to pay their share of the dependent health and dental premiums through the end of the month.

**Rehire**

Former employees who left in good standing and were classified as eligible for rehire may be considered for reemployment. An application must be submitted to the Human Resources Manager, and the applicant must meet all minimum qualifications and requirements of the position, including any qualifying exam, when required. Department managers must obtain approval from the Human Resources Manager or designee prior to rehiring a former employee. Rehired employees begin benefits just as any other new employee. Previous tenure will not be considered in calculating longevity, leave accruals, or any other benefits.

An applicant or employee who is terminated for violating policy or who resigned in lieu of termination from employment due to a policy violation will be ineligible for rehire.

**Compensation**
As an employer, Ascend believes that it is in the best interest of both the organization and Ascend’s employees to fairly compensate its workforce for the value of the work provided. It is Ascend’s intention to use a compensation system that will determine the current market value of a position based on the skills, knowledge, and behaviors required of a fully-competent incumbent. The system used for determining compensation will be objective and non-discriminatory in theory, application and practice. The company has determined that this can best be accomplished by using a professional compensation consultant, as needed, and a system recommended and approved by the executive management team.

Selection Criteria
1. The compensation system will price positions to market by using local, national, and industry specific survey data.
2. The market data will primarily include marijuana-related businesses and will include survey data for more specialized positions and will address significant market differences due to geographical location.
3. The system will evaluate external equity, which is the relative marketplace job worth of every marijuana industry job directly comparable to similar jobs at Ascend, factored for general economic variances, and adjusted to reflect the local economic marketplace.
4. The system will evaluate internal equity, which is the relative worth of each job in the organization when comparing the required level of job competencies, formal training and experience, responsibility and accountability of one job to another, and arranging all jobs in a formal job-grading structure.
5. Professional support and consultation will be available to evaluate the compensation system and provide on-going assistance in the administration of the program.
6. The compensation system must be flexible enough to ensure that the company is able to recruit and retain a highly-qualified workforce, while providing the structure necessary to effectively manage the overall compensation program.

Responsibilities
The executive management team will give final approval for the compensation system that will be used by Ascend.
1. On an annual basis the executive management team will review and approve, as appropriate, recommended changes to position-range movement as determined through the vendor's market analysis process.
2. As part of the annual budgeting process, the executive management team will review and approve, as appropriate, funds to be allocated for total compensation, which would include base salaries, bonuses, variable based or incentive-based pay, and all other related expenses, including benefit plans.

Management Responsibility
1. The CEO is charged with ensuring that Ascend is staffed with highly-qualified, fully-competent employees and that all programs are administered within appropriate guidelines and within the approved budget.
2. The salary budget will include a gross figure for the following budget adjustments, but the individual determinations for each employee's salary adjustment will be the exclusive domain of the CEO: determining the appropriate head count, titles, position levels, merit and promotional increases and compensation consisting of salary, incentive, bonus, and other discretionary pay for all positions.
3. The CEO will ensure that salary ranges are updated at least annually, that all individual jobs are market priced at least once every two years, and that pay equity adjustments are administered in a fair and equitable manner.

Agent Background Checks

- In addition to completing the Commission’s agent registration process, all agents hired to work for Ascend will undergo a detailed background investigation prior to being granted access to an Ascend facility or beginning work duties.
- Background checks will be conducted on all agents in their capacity as employees or volunteers for Ascend pursuant to 935 CMR 500.100 and will be used by the Director of Security, who will be registered with the Department of Criminal Justice Information Systems pursuant to 803 CMR 2.04: iCORI Registration and the Commission for purposes of determining the suitability of individuals for registration as a marijuana establishment agent with the licensee.
- For purposes of determining suitability based on background checks performed in accordance with 935 CMR 500.101(1), Ascend will consider:
  a. All conditions, offenses, and violations are construed to include Massachusetts law or like or similar law(s) of another state, the United States or foreign jurisdiction, a military, territorial or Native American tribal authority, or any other jurisdiction.
  b. All criminal disqualifying conditions, offenses, and violations include the crimes of attempt, accessory, conspiracy, and solicitation. Juvenile dispositions will not be considered as a factor for determining suitability.
  c. Where applicable, all look back periods for criminal conditions, offenses, and violations included in 935 CMR 500.802 commence upon the date of disposition; provided, however, that if disposition results in incarceration in any institution, the look back period will commence upon release from incarceration.
- Suitability determinations will be made in accordance with the procedures set forth in 935 CMR 500.800. In addition to the requirements established in 935 CMR 500.800, Ascend will:
  a. Comply with all guidance provided by the Commission and 935 CMR 500.802: Tables B through D to determine if the results of the background are grounds for Mandatory Disqualification or Presumptive Negative Suitability Determination.
  b. Consider whether offense(s) or information that would result in a Presumptive Negative Suitability Determination under 935 CMR 500.802. In the event a Presumptive Negative Suitability Determination is made, Ascend will consider the following factors:
    i. Time since the offense or incident;
    ii. Age of the subject at the time of the offense or incident;
    iii. Nature and specific circumstances of the offense or incident;
    iv. Sentence imposed and length, if any, of incarceration, if criminal;

Qualifications and Training

Ascend will ensure that all employees hired to work at an Ascend facility will be qualified to work as a marijuana establishment agent and properly trained to serve in their respective roles in a compliant manner.

Qualifications

In accordance with 935 CMR 500.030, a candidate for employment as a marijuana establishment agent must be 21 years of age or older. In addition, the candidate cannot have been convicted of a criminal offense in the Commonwealth involving the distribution of controlled substances to minors, or a like violation of the laws of another state, the United States, or foreign jurisdiction, or a military, territorial, or Native American tribal authority.

Ascend will also ensure that its employees are suitable for registration consistent with the provisions of 935 CMR 500.802. In the event that Ascend discovers any of its agents are not suitable for registration as a marijuana establishment agent, the agent’s employment will be terminated, and Ascend will notify the Commission within one (1) business day that the agent is no longer associated with the establishment.

Training

As required by 935 CMR 500.105(2), and prior to performing job functions, each of Ascend’s agents will successfully complete a comprehensive training program that is tailored to the roles and responsibilities of the agent’s job function. Agent training will at least include the Responsible Vendor Program and eight (8) hours of on-going training annually.

On or after July 1, 2019, all of Ascend’s current owners, managers, and employees will have attended and successfully completed a Responsible Vendor Program operated by an education provider accredited by the Commission to provide the annual minimum of two hours of responsible vendor training to marijuana establishment agents. Ascend’s new, non-administrative employees will complete the Responsible Vendor Program within 90 days of the date they are hired. Ascend’s owners, managers, and employees will then successfully complete the program once every year thereafter. Ascend will also encourage administrative employees who do not handle or sell marijuana to take the responsible vendor program on a voluntary basis to help ensure compliance. Ascend’s records of responsible vendor training program compliance will be maintained for at least four (4) years and made available during normal business hours for inspection by the Commission and any other state licensing authority upon request.

As part of the Responsible Vendor program, Ascend’s agents will receive training on a variety of topics relevant to marijuana establishment operations, including but not limited to the following:

1. Marijuana’s effect on the human body, including physical effects based on different types of marijuana products and methods of administration, and recognizing the visible signs of impairment;

3. Compliance with tracking requirements;
4. Acceptable forms of identification, including verification of valid photo identification and medical marijuana registration and confiscation of fraudulent identifications;

Such notification will describe a proposed plan of action for both the destruction of the contaminated product and the assessment of the source of contamination.

Plan for Restricting Access to Age 21 and Older

Pursuant to 935 CMR 500.050(5)(b), Ascend Mass, LLC (“Ascend”) will only be accessible to consumers 21 years of age or older with a verified and valid, government-issued photo ID or in possession of a Program ID Card demonstrating the individual is a registered qualifying patient with the Medical Use of Marijuana Program. Upon entry into the premises of the marijuana establishment by an individual, an Ascend agent will immediately inspect the individual’s proof of identification and determine the individual’s age, in accordance with 935 CMR 500.140(2).

In the event Ascend discovers any of its agents intentionally or negligently sold marijuana to an individual under the age of 21, the agent will be immediately terminated and the Commission will be promptly notified, pursuant to 935 CMR 500.105(1)(l). Ascend will not hire any individuals who are under the age of 21 or who have been convicted of distribution of controlled substances to minors, pursuant to 935 CMR 500.030(1).

Pursuant to 935 CMR 500.105(4), Ascend will not engage in any marketing, advertising or branding practices that are targeted to, deemed to appeal to or portray minors under the age of 21. Ascend will not engage in any advertising, marketing and branding by means of television, radio, internet, mobile applications, social media, or other electronic communication, billboard or other outdoor advertising, including charitable, sporting or similar events, unless at least 85% of the audience is reasonably expected to be 21 years of age or older as determined by reliable and current audience composition data. Ascend will not manufacture or sell any edible products that resemble a realistic or fictional human, animal or fruit, including artistic, caricature or cartoon renderings, pursuant to 935 CMR 500.150(1)(b). In accordance with 935 CMR 500.105(4)(a)(5), any marketing, advertising and branding materials for public viewing will include a warning stating, “For use only by adults 21 years of age or older. Keep out of the reach of children. Marijuana can impair concentration, coordination and judgment. Do not operate a vehicle or machinery under the influence of marijuana.” Pursuant to 935 CMR 500.105(6)(b), Ascend packaging for any marijuana or marijuana products will not use bright colors, resemble existing branded products, feature cartoons or celebrities commonly used to market products to minors, feature images of minors or other words that refer to products commonly associated with minors or otherwise be attractive to minors. Ascend’s website will require all online visitors to verify they are 21 years of age or older prior to accessing the website, in accordance with 935 CMR 500.105(4)(b)(13).
Plan for Separating Recreational from Medical Operations

Ascend Mass, LLC (“Ascend”) is applying to participate in the Commonwealth of Massachusetts’ Medical Use of Marijuana Program. Ascend has developed plans to ensure virtual and physical separation between medical and adult use marijuana operations in accordance with 935 CMR 500.101(2)(e)(4).

Using a sophisticated and customized seed-to-sale and Point of Sale (POS) software system approved by the Commission, Ascend will virtually separate medical and adult-use operations by designating at the point of sale whether a particular marijuana product is intended for sale to a registered patient/caregiver or a verified consumer 21 years of age or older. All inventory and sales transactions will be carefully tracked and documented in these software systems.

In compliance with 935 CMR 500.140(10), Ascend will ensure that registered patients have access to a sufficient quantity and variety of marijuana and marijuana products to meet their medical needs. For the first 6 months of operations, 35% of Ascend’s marijuana product inventory will be marked for medical use and reserved for registered patients. Thereafter, a quantity and variety of marijuana products for patients that is sufficient to meet the demand indicated by an analysis of sales data collected during the preceding 6 months will be marked and reserved for registered patients.

Marijuana products reserved for registered patients will be either: (1) maintained on site in an area separate from marijuana products intended for adult use, or (2) easily accessible at another Ascend location and transferable to Ascend’s retailer location within 48 hours. Ascend may transfer a marijuana product reserved for medical use to adult use within a reasonable period of time prior to the product’s date of expiration.

In addition to virtual separation, Ascend will provide for physical separation between the area designated for sales of medical marijuana products to patients/caregivers, and the area designated for sales of adult-use marijuana products to individuals 21 years of age or older. Within the sales area, a temporary or semi-permanent barrier, such as a stanchion or other divider, will be installed to create separate, clearly marked lines for patients/caregivers and adult-use consumers. Trained marijuana establishment agents will verify the age of all individuals, as well the validity of any Medical Use of Marijuana Program ID Cards, upon entry to the facility and direct them to the appropriate queue.

Access to the adult-use marijuana queue will be limited to individuals 21 years of age or older, regardless if the individual is registered as a patient/caregiver. Registered patients under the age of 21 will only have access to the medical marijuana queue. Registered patients/caregivers 21 years of age or older will be permitted to access either queue and will not be limited only to the medical marijuana queue.

Ascend will have a private area separate from the sales floor to allow a registered patient/caregiver to meet with a trained marijuana establishment agent for confidential consultations about the medical use of marijuana.

To Whom It May Concern:

I write in my capacity as the CEO of Ascend Mass, LLC and the founder of the WeGrow Foundation, which is in the process of being set up as an operationally independent charitable organization.

The consequences of disproportionate impact are intergenerational. In particular, the challenges faced by children of incarcerated parents and children of parents who experience chronic CORI-related unemployment and other CORI-related economic consequences are wide-ranging and well documented. As an operationally independent charitable organization, the WeGrow Foundation, through grants and other giving, will help support eligible organizations and programs in Boston and other areas of disproportionate impact that provide services to this and other affected populations.

The WeGrow Foundation will accept any funds donated to it from Ascend Mass, LLC.

Please do not hesitate to contact me if we can provide any additional information.

Sincerely,

Andrea J. Cabral

Plan for Positive Impact on Areas of Disproportionate Impact

Overview
Ascend Mass, LLC (“Ascend”) is dedicated to serving and supporting areas of disproportionate impact, which the Cannabis Control Commission has identified as the following:

1. Past or present residents of the geographic “areas of disproportionate impact,” which have been defined by the Commission and identified in its Guidance for Identifying Areas of Disproportionate Impact;
2. Commission-designated Economic Empowerment Priority applicants;
3. Commission-designated Social Equity Program participants;
4. Massachusetts residents who have past drug convictions; and
5. Massachusetts residents with parents or spouses who have drug convictions are classified as areas of disproportionate impact.

To support such populations, Ascend has created the following Plan to Positively Impact Areas of Disproportionate Impact (the “Plan”) and has identified and created numerous goals and priorities.

Goals
Ascend seeks to:

1. Reduce barriers to entry in the commercial adult-use cannabis industry; and
2. Provide business assets (time, organization skills, finances) towards endeavors that will have a positive impact towards the promotion of sustainable, socially, and economically reparative practices in the cannabis industry in Massachusetts.

Programs
Our commitment is an essential part of the company’s ethos. Specifically, Ascend will:

1) In partnership with Suffolk County Sheriff Steven W. Tompkins, Ascend intends to hire ex-offenders from the Suffolk County House of Corrections that have completed job-training and re-entry programs to work within Ascend’s dispensary and who otherwise meet Ascend’s criteria for employment. As outlined below, Ascend’s goal is to hire six individuals through this program; and

2) Establish a independent charitable foundation in partnership with Ascend Wellness Holdings, LLC.
These initiatives are further outlined in the plan below.

**Re-Entry Programs**

Ascend will develop a partnership with the Suffolk County Sheriff Department (“SCSD”) to provide referrals of qualified applicants, with a specific focus on hiring individuals with past drug convictions, that have completed job-training and re-entry programs, are under court supervision, and who otherwise meet Ascend’s criteria for employment. This initiative will be managed by the Chief Executive Officer, Human Resources Director, and Dispensary Manager.

Ascend will initially measure its progress through the successful development of a partnership with SCSD. Based on the specifics of that partnership, **Ascend’s goal is to hire six (6) individuals from this partnership.** All employees will receive significant training to reduce barriers to entry to the cannabis industry.

If Ascend does not meet its goals, it must exceed its above-described hiring goals the following year by the number it missed the year before.

**The WeGrow Foundation**

Ascend will contribute 0.5% of its net revenue to the WeGrow Foundation (the “Foundation”), a fund set up by Ascend Wellness Holdings, the parent company of Ascend. It will be independently run, with its own President/CEO, Executive Director and Board. The specific organizations, businesses and individuals who might receive grants or other assistance from the Foundation will be chosen by the Foundation, based upon the purpose, goals and criteria that it, not Ascend Mass, chooses. As an operationally independent charitable organization, the Foundation, through grants and other giving, will support eligible organizations and programs that provide services to:

1. Past or present residents of the geographic “areas of disproportionate impact,” which have been defined by the Commission and identified in its Guidance for Identifying Areas of Disproportionate Impact;
2. Commission-designated Economic Empowerment Priority applicants;
3. Commission-designated Social Equity Program participants;
4. Massachusetts residents who have past drug convictions; and
5. Massachusetts residents with parents or spouses who have drug convictions are classified as areas of disproportionate impact.

The Foundation will have a board comprised of independent directors with no affiliation or financial interest in Ascend or Ascend Wellness Holdings. Ms. Cabral is serving on the board in an interim capacity until the final board is selected and installed, at which time she will resign.

**Plan Administration**

The Community Engagement Officer will administer Ascend’s Plan to Positively Impact Areas of Disproportionate Impact (“Plan”). The Community Engagement Officer will be responsible developing specific initiatives, creating partnerships and achieving measurable outcomes to
ensure that Ascend meets the Plan’s goals. Ascend will audit the plan annually upon license renewal and will disclose and track measurement metrics. Metrics tracked will include the following:

1. Number of employees hired as part of Ascend’s partnership with SCSD. The applicant will count the number of employees hired as part of this partnership and compare to its goal number of six;

2. Funds raised by the WeGrow foundation; and

3. Measures undertaken by the WeGrow Foundation that positively impact areas of disproportionate impact. The applicant will outline a list of all of the philanthropic activities that the WeGrow Foundation has undertaken and prepare documentation outlining how they meet the specific goals of the Cannabis Control Commission.

Disclosures
Ascend will adhere to the requirements set forth in 935 CMR 500.105(4) which provides the permitted and prohibited advertising, branding, marketing, and sponsorship practices of every Marijuana Establishment.

Any actions taken, or programs instituted, by Ascend will not violate the Commission’s regulations with respect to limitations on ownership or control or other applicable state laws.

To Whom It May Concern:

This letter confirms that the Suffolk County Sheriff’s Department has agreed to partner with Ascend Mass, LLC to refer and help screen appropriate candidates for employment in their retail stores. The candidates will be graduates of our Common Ground Institute (CGI) re-entry program. As part of the CGI program, the Sheriff’s Department trains and prepares candidates for employment and regularly works with employers who are willing to hire them.

Please do not hesitate to contact me if you have any questions.

Sincerely,
