The company was established to deliver world class cannabis to its end users and it is striving to meet that goal each and every day. Cultivate Holdings, LLC in Leicester is currently at full production capacity and is working to expand to new retail and cultivation locations. These new locations will greatly increase its ability to service retail customers as it, along with the Commonwealth of Massachusetts, works to address the demands of the market. Cultivate Holdings, LLC will continue to produce and develop a range of cannabis extracts and infused products specifically engineered to provide the optimum medicinal benefits.

The single most important component of the company’s business model is consistent, high quality processing practices across the entire extraction and production processes, maintaining the source of the natural compounds needed to produce impeccable cannabis products. Healthy and vibrant plants yield higher quality medicine. The more efficient the company is in producing high-yielding cannabis products, the more affordable medicine will be for our patients and customers.

This ethos of success starts with the company’s owners and managers, who have been serving the cannabis community for years, from multiple sectors within the legal cannabis markets. Cultivate Holdings, LLC brings an unwavering commitment to best practices and agricultural science throughout the entire production cycle as a result of our ownership’s combined experiences across the cannabis industry. Their collective experiences will be the soil which allows the company to grow into a healthy and fruitful venture.

Cultivate Holdings, LLC applies this commitment towards consistency and quality not only to the medicine we produce but towards the cannabis community at large. It is a core belief of Cultivate Holdings, LLC that all those that participate in the cannabis community share a responsibility to the greater society and environment. As such, the company strives to contribute to the advancement of the industry’s knowledge base of utilizing sustainable processing practices by making available data by the company’s operations in compliance with state regulations.

We define our commitment to producing consistent and high quality medicine below by detailing crucial components of our business model including compliance, marketing, and philanthropic ventures. The methodologies defined below have been developed and refined by the results of our previous success in business across a spectrum of industries, not just
cannabis. We let our values and evidence lead our decision-making and, if given the opportunity, will demonstrate that our team possesses all the necessary tools to create a positive impact in the patient’s lives we hope to serve. We will make the Commonwealth of Massachusetts and our local community proud.

Cultivate Holdings, LLC retains its good standing and its day-to-day operations are consistently compliant with all Department regulations.

In order to have a successful business in the cannabis industry, safety and compliance with Massachusetts Code of Regulations must be the number one priority. The Company will remain in compliance at all times and, whenever there is a question of whether an action is compliant, it is the duty of the CEO to confirm with relevant regulatory and law enforcement agencies.

OUR FACILITY

Cultivate Holdings, LLC has secured a long-term lease of a 23,000 square foot former manufacturing plant which serves as an ideal location for a large-scale cannabis processing operation. Cultivate Holdings, LLC is in compliance with local ordinances, rules, and regulations. The exterior is structurally sound and already connected to utilities. This facility is at full operations and continues to improve efficiencies to better meet the demand.

TIMELINE TO IMPLEMENTATION

Cultivate is currently operating an adult use and medical marijuana retail operations. Our current status as an operational RMD and Adult Use means all required SOP’s and training have been in place at current facilities. We would train staff at this facility before opening up new ones to make the new operations run as smooth as possible. Amendments to Cultivate’s standard operating procedures to comply with new requirements set forth in 935 CMR 500.000 have been drafted and are implemented immediately upon issuance of retail licenses. Managers participated in drafting the new operating procedures and are prepared to begin training employees for new locations.

FINANCIAL PLAN

Financial Projections - Cultivate Holdings, LLC is currently profitable. With current projected market prices and production capability first year operating cash flows are projected at $24 million.

Market Projections - Our finance team primarily used an accepted study with adjustments, based on our conservative stance, to determine our baseline market assumptions. The projections do not assume any legislative or regulatory agency changes such as the addition of qualifying conditions or excise taxes. While Cultivate Holdings, LLC is prepared to endure a
slow ramp-up or even a total delay in the implementation of the program, our operating plan provides for expansion capacity to meet demand marginally greater than estimated.

**Revenue Source** - Our consumption assumptions are in line with state analysts. We utilize 3.6 ounces per annum consumption rate covering all forms of cannabis including flowers, tinctures, topicals, etc. At $21 per gram (retail) and when fully operational that would be $15 million in gross sales over 12 months. A great many variables affect this prediction but our staff feels this is a sound and realistic.

**Pricing** - Cultivate Holdings, LLC has established its pricing assumptions based on existing market data and predictions based on other more mature markets.

**QUALITY ASSURANCE**

Cultivate Holdings, LLC has developed a quality assurance plan that fully addresses the safety of patients, the surrounding community, and employees. Our standard operating procedures (SOPs) have been established to ensure compliance with requirements of the department’s regulations. These SOPs specifically address Quality Control Measures, Laboratory Testing, Waste Disposal, Adverse Events/Recall, Labelling & Packaging, Inventory Control, Production Control, and everything associated with the processing workflow. The plan relies on an approach that utilizes the fullest extent of the expertise of our team.

**MARKETING PLAN**

**Cannabis**

From sowing the seed to selling the flower, we immerse ourselves and engage in all aspects of growing, extracting, producing and selling cannabis. **Field Marketing**

The aim of the field marketing strategy is long term relationships. Outreach and industry events facilitate face-to-face interaction necessary to foster relationships. Cultivate Holdings, LLC will produce and distribute compliant informational brochures to doctors and healthcare professionals around the State of Massachusetts. The brochure will be provided free to the medical community and patients so they can understand cannabis products and usage. This will allow our team to make connections with stakeholders of this industry.

Cultivate Holdings, LLC has researched doctor and patient group conferences and symposiums where Cultivate Holdings, LLC’s team, often accompanied by an affiliated researcher, will guest speak on the subject of cannabinoids and regulations pertaining to the appropriate regulatory agency. Many industry meetings and collaborative events that the company can assist with will be attended by a representative.

**Promotion Through Community Involvement**

Cultivate Holdings, LLC will maintain a philanthropic public image in part by bridging socio-economic gaps between community service organizations, local merchants associations, corporate sponsors and investors. Cultivate Holdings, LLC will host educational seminars for patients and the community as part of efforts to establish a positive social image and redefine negative stigmas associated with the sale and use of cannabis products. Cultivate Holdings, LLC will establish itself as a member of local merchants associations as part of an effort to demonstrate the company is a dedicated community member concerned with the overall well being and small business economy of the local area.

**PHILANTHROPIC GIVING PROGRAM**
Cultivate has and plans to continue to give back to the community in many forms. Our aim is provide fundraiser opportunity as part of sales in which we provide 10% of sales on certain days to the community. Provide drives for those in need and have our entire team volunteer minimum 10 hours per year to local charities and events.

**Fundraising Events**

Cultivate Holdings, LLC recognizes the value of a strong business network when engaged in fundraising efforts for charitable local organizations designated to receive regular donations. Establishing a reputation for hosting regular, successful fundraising events for community organizations will also increase the ability of Cultivate Holdings, LLC to compel corporate sponsorships and donations for future events. We will regularly host fundraisers to increase visibility and awareness of select charitable organizations within the community.

**ECONOMIC DEVELOPMENT**

Economic development and job-creation have been a hallmark of legal medical cannabis sales in the states in which it has occurred thus far. The Colorado cannabis industry created 18,000 jobs last year alone. An RCG Economics and Marijuana Policy Group study of Nevada, a state transitioning into recreational marijuana sales, says that the state could support over 41,000 cannabis jobs through 2024 and generate over $1.7 billion in labor income (Mrinalini Krishna). Analysts predict some 200,000 jobs will be created in 2018 within the cannabis industry across the United States. There is little reason Massachusetts should not stand to substantially benefit from the enactment of this program. The economic impact from job creation and the tax revenue derived from an estimated $400,000,000 in sales across the State of Massachusetts will be significant. Cultivate Holdings, LLC is prepared to be a large contributor to this positive economic boom.

**Job Creation**

The opportunity afforded to Cultivate Holdings, LLC due to its location is perfectly aligned with existing job-creation and economic development goals. Cultivate has committed to hiring a diverse workforce from the local area. 90% of our general staff will be hired from the local and surrounding areas, including management. Long-term and high-paying jobs will do a great deal to benefit the community at large.
Our facility has budgeted for 50 employees for our first hiring phase and as many as 90 employees following a potential market expansion. Entry-level wages will range from $12-$15 per hour. Processing staff hourly wages will range from $14-$22 per hour while management salaries will range from $40,000 - $80,000. Employment includes benefits such as health insurance.

Career development is an associated benefit from working at Cultivate. Continuous training including cross-training are mandatory of individuals working at Cultivate. This process prepares employees for careers in a burgeoning industry with massive upside potential. The long term economic benefits of new careers versus short-term or part-time employment cannot be overstated. Cultivate is committed to the local community and, given the opportunity, will grow alongside it.

**In Conclusion**

This cannabis operation will grow and succeed in a beautifully retrofitted warehousing facility. 23,000 square feet of blight, rust, and broken glass has been reborn into a bustling epicenter of a new industry. The restoration and retrofitting of this large centerpiece of a dwindling industrial area will breathe new life into the community. Combined with Cultivate’s community commitments, this project will continue to have a positive impact on the community with which it resides. Our ownership team have made careers out of bold and adaptive moves and they believe in the transformative power of cannabis.

ARTICLE V
ADDITIONAL CAPITAL CONTRIBUTIONS; CAPITAL ACCOUNT;
PROFITS, LOSSES AND DISTRIBUTIONS

5.1 Additional Capital Contributions; Capital Account.

(a) Additional Capital Contributions. The Manager may, from time to time, cause the Company to raise additional capital. In connection with any such capital-raising, the Manager may cause the Company to issue and sell Units in the Company which may be pari passu with, or senior in right to, any class of Units.

(b) Capital Accounts. A Capital Account shall be maintained on the books and records of the Company for each Member (each, a “Capital Account”) in accordance with the provisions of this Section 5.1:

(i) To each Member’s Capital Account there shall be credited such Member’s Capital Contributions, such Member’s distributive share of Profits and the amount of any Company liabilities assumed by such Member or that are secured by any Company Property distributed to such Member.

(ii) To each Member’s Capital Account there shall be debited the amount of cash and the Gross Asset Value of any Company Property distributed to such Member pursuant to any provision of this Agreement, such Member’s distributive share of Losses, and the amount of any liabilities of the Company assumed by such Member or that are secured by any property contributed by such Member to the Company.

(iii) In the event that all or a portion of any interest in the Company is Transferred in accordance with this Agreement, the Transferee shall succeed to the Capital Account of the Transferor to the extent it relates to the Transferred interest.

The foregoing provisions, and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Section 1.704-1(b) of the Regulations and shall be interpreted and applied in a manner consistent with such Regulations. In the event that the Manager shall determine that it is prudent to modify the manner in which the Capital Accounts, or any debits or credits thereto (including, without limitation, debits or credits relating to liabilities that are secured by contributed or distributed property or that are assumed by the Company or the Members) are computed in order to comply with such Regulations, the Manager may make such modification, provided that it is not likely to have a material effect on the amounts distributable to any Member pursuant to Section 9.3 hereof upon the dissolution and liquidation of the Company. The Manager shall also (i) make any adjustments necessary or appropriate to maintain equality between the aggregate Capital Accounts of the Members and the amount of Company capital reflected on the Company’s balance sheet, as computed for book purposes in accordance with Regulations Section 1.704-1(b)(2)(iv)(q) and make any appropriate modifications in the event unanticipated events might otherwise cause this Agreement not to comply with Regulations Section 1.704-1(b).
(c) **Loans.** No Member shall have any obligation to loan funds to the Company; provided, however, the Company may borrow funds or enter into other similar financial accommodations with any Member or any Affiliate of any Member. Loans to the Company by any Member shall not be considered Capital Contributions.

5.2 **Calculation of Profits and Losses.** For financial accounting purposes, the Profits and Losses of the Company shall be determined on an annual basis in accordance with this Agreement.

5.3 **Allocation of Profits, Losses, Credits and Other Items.**

(a) **Profits and Losses.** Any Profits and Losses (or items thereof), for each period, shall be allocated among the Members so as to, as nearly as possible increase or decrease, as the case may be, each Member’s Capital Account balance to the extent necessary such that each such Member’s Capital Account is equal to the amount that such Member would receive if the Company were dissolved, its assets sold for their respective Book Values, its liabilities satisfied in accordance with their terms and all remaining amounts were distributed to the Members in accordance with Section 5.5, immediately after making such allocations. The intent of the foregoing allocations is to comply with Regulation Section 1.704-1(b) and to ensure that the Members receive allocations of Profits and Losses (and items thereof) pursuant to this Section 5.3(a) in accordance with their relative economic interests in the Company.

(b) **Alternative Allocations.** It is the intent of the Members that each Member’s distributive share of Profit or Losses (or item thereof) be determined and allocated consistently with the provisions of the Code, including, without limitation, Code Section 704(b) and Code Section 704(c). If in connection with the issuance of Units pursuant to the provisions of this Agreement, or for any other reason, the Manager deem it necessary in order to comply with the Code, the Manager may, and hereby is authorized, to allocate Profit or Losses (or items thereof) arising in any year differently than as provided for in this Article V if, and to the extent, that (i) allocating Profit or Losses (or item thereof) would cause the determinations and allocations of each Member’s distributive share of Profit or Losses (or item thereof) not to be permitted by the Code or (ii) such allocation would be inconsistent with a Member’s interest in the Company taking into consideration all facts and circumstances. Any allocation made pursuant to this Section 5.3(b) shall be deemed to be a complete substitute for any allocation otherwise provided for in this Agreement, and no further amendment of this Agreement or approval by any Member shall be required to effectuate such allocation. In making any such allocations under this Section 5.3(b) (the “New Allocations”), the Manager is authorized to act in reliance upon advice of counsel to the Company or the Company’s regular accountant that, in his or her opinion after examining the relevant provisions of the Code, the New Allocation is necessary in order to ensure that, in either the then-current year or in any preceding year, each Member’s distributive share of Profit or Losses (or items thereof) are determined and allocated in accordance with the Code and the Member’s interests in the Company. New Allocations made by the Manager in reliance upon the advice of counsel or accountant as described above shall be deemed to be made in the best interests of the Company and all of the Members, and no Member shall have the right to make any claim or cause of action against the Company, any Manager, or any other Member as a result thereof.

5.4 **Non-Federal Taxes.**

(a) **Elections.** The Company may make any tax elections allowed under the tax laws of any state or other local jurisdiction having taxing jurisdiction over the Company ("Taxing Jurisdiction").
(b) Taxes of Taxing Jurisdictions. As determined by the Manager, to the extent that the laws of any Taxing Jurisdiction require, each Member requested to do so will submit to the Taxing Jurisdiction an agreement indicating that the Member will timely file all returns and make all income tax payments to the Taxing Jurisdiction or that the Member accepts personal jurisdiction of the Taxing Jurisdiction with regard to the collection of income taxes attributable to the Member’s income, and interest and penalties assessed on such income or such other agreement as the Taxing Jurisdiction provides. If the Member fails to provide such agreement, to file such returns, or to make such tax payments, the Company may, and if required by the Taxing Jurisdiction shall, withhold and pay over to such Taxing Jurisdiction the amount of tax, penalty and interest determined as due under the laws of the Taxing Jurisdiction. Any such payments with respect to a Member shall be treated as an advance of a distribution to such Member, provided that if the Member was not entitled to such a distribution, without notice or demand the Member shall pay to the Company the amount the Company paid to the Taxing Jurisdiction. The Company may, where permitted by the rules of any Taxing Jurisdiction, file a composite, combined or aggregate tax return reflecting the income of the Company and pay the tax, interest and penalties of some or all of the Members on such income to the Taxing Jurisdiction, in which case the Company shall inform the Members of the amount of such tax, interest and penalties so paid and such amounts shall be also treated as such an advance distribution and be subject to repayment.

5.5 Distributions.

(a) Generally. Distributions hereunder shall be made to the Members in accordance herewith hereof at such time and in such amounts as may be determined by the Manager. The Manager shall have sole discretion to determine the amounts and time for any distributions. In this regard, the Manager may take into account such matters as the repayment of obligations to creditors and the setting aside of amounts to be retained by the Company for any purpose, including the conduct of the Company’s business affairs. No Member shall have the status of, or be entitled to any remedies available to, a creditor of the Company with respect to any distribution to which such Member may become entitled.

(b) Tax Distributions to Members. Notwithstanding the other provisions of this Agreement, to the extent funds are available, the Managers may make distributions to the Members from time to time with respect to any taxable year in an amount to pay when due any federal, state and local income taxes imposed on such Members, calculated using the Assumed Tax Rate, that is attributable to the cumulative taxable income allocated to the Members under this Agreement. Tax distributions pursuant to this Section 5.5(b) shall not be made with respect to the year in which the Company liquidates. Tax distributions made hereunder shall be treated as an advance on other distributions to which a Member is entitled in respect of such Member’s Units, and shall therefore reduce the amount of other distributions payable to that Member under this Agreement in respect thereof.

(c) Distributions of Available Cash Flow. After distributions described in Section 5.5(b) are made, all distributions from the Available Cash Flow of the Company shall be made as follows:

(i) First, 30% to the Class C Members and, 70% to the Class B Members (in proportion to each Member’s respective Percentage Interests of their Membership Class), until total distributions by the Company to each Class B Member (including those made prior to the date of this amendment) equals each such Class B Member’s Capital Contributions, plus the Priority Return on such Class B Member’s Capital Contributions from the date such amounts were contributed until the date all such Capital Contributions
are fully returned;

(ii) Second, 100% to the Class C Members (each in proportion to such Member’s respective Percentage Interests of their Membership Class), until total distributions by the Company to each Class C Member equals each such Class C Member’s Capital Contribution;

(i) First, 30% to the Class C Members and, 70% to the Class B Members (in proportion to each Member’s respective Percentage Interests of their Membership Class), until total distributions by the Company to each Class B Member (including those made prior to the date of this amendment) equals each such Class B Member’s Capital Contributions, plus the Priority Return on such Class B Member’s Capital Contributions from the date such amounts were contributed until the date all such Capital Contributions are returned;

(ii) Second, 100% to the Class C Members (each in proportion to such Member’s respective Percentage Interests of their Membership Class), until total distributions by the Company to each Class C Member equals each such Class C Member’s Capital Contribution;

(iii) Third, 100% to Class A Members (each in proportion to such Member’s respective Percentage Interests of their Membership Class), until total distributions by the Company to each Class A Member equals each such Class A Member’s Capital Contribution; and

(iv) Thereafter, to the Class A, B and C Members pro rata in proportion to their Percentage Interests.

(e) Prohibited Distributions. Notwithstanding anything to the contrary contained herein, the Company shall not make any distribution to a Member if such distribution would violate the Act or other applicable law.

5.6 Creditor Status. No Member shall have the status of, or be entitled to any remedies available to, a creditor of the Company with respect to any distribution to which such Member may become entitled.

5.7 Withholding Taxes. The Company is authorized to withhold from distributions to the Members, and to pay over to a federal, state or local government, any amounts required to be withheld pursuant to the Internal Revenue Code of 1986, as amended, or any other provisions of
any other federal, state, local or foreign law. Any amounts so withheld shall be treated as having been distributed to the Members pursuant to Section 5.3 for all purposes of this Agreement.

5.8 Condition to Distributions. At any time or from time to time, and prior to making any distributions, the Manager may request from any Member or other Person receiving a distribution an affidavit or other evidence that such Person is not a “foreign person” within the meaning of Code Section 1445 or Code Section 1446. If such Person does not provide such affidavit or other evidence in form and content reasonably satisfactory to the Members within 30 days after such request, the Manager may withhold and pay over to the IRS such portion of such Person’s distribution as may be necessary to comply with Code Section 1445 or Code Section 1446, and any amount so withheld and paid over shall be treated as a distribution to such Person at the time it is paid over to the IRS.

(i) include a copy of the Offer;

(ii) state the intention to Transfer the Class B Units or the Class C Units, as applicable, and the amount to be transferred (the “Offered Interest”);

(iii) state the name, business, and address of the Offeror; and

(iv) state the amount of the consideration and the other terms of the Offer.

(b) The Class A Members shall have an option to Purchase (“Purchase Option”) on the same terms and conditions as set forth in the Offer Notice, all, or any portion, of the Offered Interest; provided that such Purchase Option shall be exercisable only during the period ending fifteen (15) Business Days after the receipt by the Class A Members of the Offer Notice.

(c) The Purchase Option granted in this Section to the Class A Members must be exercised by notice within the period designated for such exercise, and the Class A Members may purchase, all or any portion of the Offered Interest within one hundred eighty (180) days of the date of the Offer Notice, or it shall be deemed that the Purchase Option was rejected. If and to the extent that the Class A Members do not exercise their right to purchase such Offered Interest in its entirety, the Transferring Party shall then have the right to transfer that portion of the Offered Interest which the Class A Members have not elected to purchase in accordance with the Offer Notice within a period of thirty (30) days next following the expiration of the Purchase Option. In the event the Transferring Party has not transferred the Offered Interest in accordance with the Offer Notice or the Manager does not approve the transferee then any transfer shall be null and void, and the Offered Interest will continue to be subject to this Agreement.

7.4 Right of First Refusal Upon Involuntary Withdrawal.

(a) In the event that any Class B Member or Class C Member (a “Withdrawing Party”) shall suffer an Event of Withdrawal, then in addition to the other requirements and limitations set forth in this Agreement, the legal representatives of the Withdrawing Member (“Representatives”) shall give written notice within ninety (90) days of the occurrence of such event (the “Withdrawal Notice”) to the Class A Members of the withdrawal of the Withdrawing Party.
(b) For a period of ninety (90) days after the receipt by the Class A Members of the Withdrawal Notice, the Class A Members shall have an option to purchase (“Option”) all, but not less than all, of the Withdrawing Party’s interest in the Company (“Abandoned Interest”), on the terms and conditions set forth below in subparagraphs (c) and (d).

(c) The Option granted in this Section to the Class A Members must be exercised by notice within said ninety (90) day period and the Class A Members must purchase all of the Abandoned Interest, or it shall be deemed that the Option was rejected. If and to the extent that the Class A Members do not exercise their right to purchase the Abandoned Interest in its entirety, the Economic Interest represented by the Abandoned Interest and right to request admission as a substitute Member shall pass to the authorized legal representative(s) of the Withdrawing Party by operation of law, but subject, nevertheless, to the provisions of Section 7.1 hereof.

(d) The purchase price for the Abandoned Interest (“Purchase Price”) shall be the Fair Market Value of the Abandoned Interest as determined by an appraiser selected by the Manager. The value of the Abandoned Interest shall be determined as of the date of the Event of Withdrawal, unless otherwise mutually agreed by the Company and the legal representatives of the Withdrawing Party. The cost of the appraisal shall be paid by the Company. The Purchase Price shall be paid in cash by wire transfer of immediately available funds or by certified or bank treasurer’s check upon the transfer of the Abandoned Interest.

7.5 Permitted Transfers. Notwithstanding anything in the Agreement to the contrary, all transfers of Units or Economic Interests to an Affiliate or to a Family Member can be undertaken without restriction. Notwithstanding anything in this Section 7.5 to the contrary, the Transferring Member shall maintain all voting rights attached to his Units during his lifetime in regard to any Transfer to a Family Member.

7.6 Tax Limitation. Notwithstanding anything to the contrary contained herein, no Transfer of, or Lien on, any interest in the Company shall be permitted if such Transfer or Lien would cause the Company to be treated as an association taxable as a corporation for U.S. federal income tax purposes, including pursuant to Section 7704 of the Internal Revenue Code of 1986, as amended.

7.7 Holder of Record. The Company shall be entitled to treat the record owner of Units as the absolute owner thereof in all respects, and shall incur no liability for distributions of cash or other property made in good faith to such owner until such time as (i) a written assignment of such Units has been received and accepted by the Company in accordance with the terms and conditions set forth in this Agreement and (ii) the transferee has been admitted as a Member of the Company and has fulfilled the terms and conditions of Section 7.1(b) of this Agreement. In the absence of the substitution (as provided herein) of a Member for an assigning or transferring Member, any payment to a Member or any trustee in bankruptcy in accordance with the terms of this Agreement shall acquit the Company and any other Member of all liability to any other persons or entities who may be interested in such payment by reason of any purported assignment or transfer of such Member. In addition to and not in limitation of any other legal or equitable remedies which it may have, the Company and any of its Members may enforce its rights hereunder by actions for specific performance.

7.8 Tag Along Rights.

(a) Notwithstanding anything contained herein to the contrary in this Article VII, in the event that the holders of the Class A Units (the “Tag-Along Transferors”) desire to transfer a majority of the Class A Units for consideration (such Units, the “Tag-Along Units”) to any one or more Persons in an “arms’-length” single transaction or series of related transactions, then the
Tag-Along Transferors shall provide all other Members of all Classes (the “Tag-Along Members”) with written notice ("Transfer Notice") of their intention to transfer the Units, specifying in such Transfer Notice the identity of the proposed transferee, the number of Units to be transferred, the purchase price therefor (the “Purchase Price”), and the terms (the “Transfer Terms”) of the proposed sale (the “Proposed Sale”).

(b) Upon receipt of Transfer Notice, each Member that is not a Tag-Along Transferor, shall, for a period of twenty (20) days (“Tag-Along Exercise Period”), have the right and option (“Tag-Along Right”) to sell to the proposed Transferee in the Proposed Sale at a price and on terms equivalent to the per Unit Purchase Price and the Transfer Terms, up to that number of Units owned by such Tag-Along Member as shall equal the product of (i) a fraction, the numerator of which is the number of Tag-Along Units and the denominator of which is the aggregate number of Units owned of record as of the date of the Tag-Along Notice by the Tag-Along Transferors, multiplied by (ii) the number of Units owned of record by such Tag-Along Member as of the date of the Tag-Along Notice. Such written notice shall state the aggregate number of Units that such Tag-Along Member proposes to include in such Transfer.

(c) If any Tag-Along Member exercises its rights pursuant to this Section 7.8, then Tag-Along Transferors will attempt to obtain from the proposed Transferee a commitment, for the benefit of each such Tag-Along Member, to purchase the number of Units that such Tag-Along Member proposes to include in such Transfer pursuant to this Section 7.8. To the extent Tag-Along Transferors cannot obtain such a commitment from such proposed Transferee for each of the Tag-Along Members, the Tag-Along Transferors and Tag-Along Members shall reduce the number of Units being sold by the Tag-Along Transferors and Tag-Along Members such that each Tag-Along Transferor and each Tag-Along Member sells a number of Units as is determined by multiplying (i) a fraction, the numerator of which is equal to the number of Units that such Tag-Along Transferor or such Tag-Along Member, as the case may be, would have sold if Tag-Along Transferors had obtained such commitments from such proposed Transferee, and the denominator of which is equal to the total number of Units that would have been sold by all of such Tag-Along Transferors and all of such Tag-Along Members if Tag-Along Transferors had obtained such commitments from such proposed Transferee, multiplied by (ii) the total number of Units that such proposed Transferee is in fact acquiring from all Tag-Along Transferors and all Tag-Along Members. Anything in this Section to the contrary notwithstanding, each reduction shall be determined based on the amount to be distributed to each of the Tag-Along Transferors and each of the Tag-Along Members as if the proceeds were to constitute Capital Event Proceeds (with any non-cash consideration valued at its fair market value) and were to be distributed pursuant to Section 5.5 at the time of such Transfer.

(d) The closing of the Transfer of the Units with respect to which rights have been exercised by a Tag-Along Member pursuant to this Section 7.8 is subject to, and will take place concurrently with, the closing of the Transfer of the Units by Tag-Along Transferors to the proposed Transferee. At such closing, each Tag-Along Member electing to Transfer Units shall deliver to the proposed Transferee, free and clear of all liens, the Units to be sold and shall receive in exchange therefor, the consideration to be paid by the proposed Transferee (but giving effect to the distribution priorities set forth in Section 5.5 as if such sale were a Capital Transaction) in respect of such Units as described in the Tag-Along Notice.

(e) If any Tag-Along Transfer is not closed within six (6) months from the date of the Transfer Notice, with the same proposed transferee and at the same or better Purchase Price and Transfer Terms than those set forth in the Transfer Notice, then prior to concluding any other proposed transfer of a majority of Units to any one or more Persons in a single transaction or series of related transactions, the Tag-Along Transferors shall be required to give all Members a
new notice of their desire to transfer in accordance with the foregoing requirements and the
foregoing procedures shall again be followed.

7.9 Drag Along Rights.

(a) Following the expiration of the Tag-Along Exercise Period, the Tag-Along Transferors shall have a period of fifteen (15) days to elect by written notice to require the Members that did not exercise their Tag Along Right to participate in the proposed transaction (the “Drag-Along Right”) at a price and on terms equivalent to the per Unit Purchase Price and the Transfer Terms, provided that the liability of any Member for any breach of representations or covenants shall be joint but not several for any Member holding less than 20% of all Units outstanding.

(b) No Member participating in a Proposed Sale (“Drag-Along Seller”) pursuant to the exercise of Drag Along Rights of the Tag-Along Transferors shall be required to make any representations and warranties other than those related to authority, ownership and the ability to convey title to such Units, including, but not limited to, representations and warranties that (i) the Drag-Along Seller holds all right, title and interest in and to the Units such Drag-Along Seller purports to hold, free and clear of all liens and encumbrances, (ii) the obligations of the Drag-Along Seller in connection with the transaction have been duly authorized, if applicable, (iii) the documents to be entered into by the Drag-Along Seller have been duly executed by the Drag-Along Seller and delivered to the acquirer and are enforceable (subject to customary limitations) against the Drag-Along Seller in accordance with their respective terms; and (iv) neither the execution and delivery of documents to be entered into by the Drag-Along Seller in connection with the transaction, nor the performance of the Drag-Along Seller’s obligations thereunder, will cause a breach or violation of the terms of any agreement to which the Drag-Along Seller is a party, or any law or judgment, order or decree of any court or governmental agency that applies to the Drag-Along Seller;

(c) A Drag-Along Seller is not required to agree (unless such Drag-Along Seller is an Officer or employee of the Company) to any restrictive covenant in connection with the Proposed Sale (including without limitation any covenant not to compete or covenant not to solicit customers, employees or suppliers of any party to the Proposed Sale);

(d) A Drag-Along Seller is not liable for the breach of any representation, warranty or covenant made by any other Person in connection with the Proposed Sale, other than the Company (except to the extent that funds may be paid out of an escrow established to cover breach of representations, warranties and covenants of the Company as well as breach by any member of any of identical representations, warranties and covenants provided by all Members);

(e) A Drag-Along Seller’s liability shall be limited to such Drag-Along Seller’s applicable share (determined based on the respective proceeds payable to each Drag-Along Seller in connection with such Proposed Sale) but that in no event exceeds the amount of consideration otherwise payable to such Drag-Along Seller in connection with the Proposed Sale, except with respect to claims related to fraud by such Drag-Along Seller, the liability for which need not be limited as to such Drag-Along Seller;

(f) Upon the consummation of the Proposed Sale (i) each holder of each class or series of the Units must receive the same form of consideration for their Units of such class or series as is received by other holders in respect of their Units of such same class or series of Units, and (ii) unless waived pursuant to the terms of this Agreement and as may be required by law, the aggregate consideration receivable by all holders of the Units shall be allocated among the holders of the Classes giving effect to the distribution priorities set forth in Section 5.5 as if
such sale were a Capital Transaction).

(g) If any Proposed Sale is not closed within six (6) months from the date of the Transfer Notice, with the same proposed transferee and at the same or better Purchase Price and Transfer Terms than those set forth in the Transfer Notice, then prior to concluding any other proposed transfer of a majority of Units to any one or more Persons in a single transaction or series of related transactions, the Tag-Along Transferors shall be required to give all Members a new notice of their desire to transfer in accordance with the foregoing requirements and the foregoing procedures shall again be followed.

7.10. Securities Issues. If the consideration to be paid in exchange for the Units pursuant to this Section 7 includes any securities and due receipt thereof by any Member would require under applicable law (x) the registration or qualification of such securities or of any person as a broker or dealer or agent with respect to such securities; or (y) the provision to any Member of any information other than such information as a prudent issuer would generally furnish in an offering made solely to “accredited investors” as defined in Regulation D promulgated under the Securities Act of 1933, as amended, the Company may cause to be paid to any such Member in lieu thereof, against surrender of the Units which would have otherwise been sold by such Member, an amount in cash equal to the fair value (as determined in good faith by the Board) of the securities which such Member would otherwise receive as of the date of the issuance of such securities in exchange for the Units; provided that if there is insufficient cash available for such Members, the Company shall make such other arrangements as are reasonably necessary to make such payments within one year of the Closing.

ARTICLE VIII
BOOKS, ACCOUNTING AND TAX TREATMENT

8.1 Books and Records; Accounting. The Manager shall keep or cause to be kept at the address of the Company (or at such other place as the Manager shall determine in its discretion) true and complete books and records regarding the status of the business and financial condition of the Company.

8.2 Financial Statements. The Company will send to all Members not more than 90 days after the end of each Fiscal Year an audited financial report including a balance sheet and statements of income, changes in Member’s equity and changes in cash flows, prepared in accordance with accounting principles used to prepare the Company’s federal income tax return and a statement for each Member of its Capital Account. In addition, within 60 days after the end of each calendar quarter the Company will provide its members with unaudited financial statements and other information.

8.3 Tax Treatment. The Members intend for the Company to be considered a partnership for Federal income tax purposes and agree that the Company will be governed by the provisions of Subchapter K of the Code and the applicable Treasury Regulations promulgated thereunder. The Members are aware of the income tax consequences of the allocations made by Article V and hereby agree to be bound by the provisions of Article V in reporting their shares of Company Profit and Losses for income tax purposes. The Manager will undertake any and all actions necessary under the Code and the Regulations to ensure that the Company will be classified as a partnership for Federal income tax purposes and will file or cause to be filed any elections that may be required (but only if required) under the Code and the Regulations in order to ensure that the Company will be classified as a partnership for Federal income tax purposes.
8.4 Tax Returns and Other Elections.

(a) **Preparation and Filing.** The Manager shall cause the preparation and timely filing of all returns required to be filed by the Company pursuant to the Code and all other tax returns deemed necessary and required in each jurisdiction in which the Company does business. Copies of such returns or pertinent information therefrom, shall be furnished to the each Member as soon as practical after the end of the Company’s fiscal year but in any event not more than 90 days after the end of each Fiscal Year. The tax information provided to each Member shall include, without limitation, such Member’s federal tax Schedule K-1.

(b) **Tax Elections.** The Manager is hereby authorized to make elections and prepare and file returns regarding any federal, state or local tax obligations of the Company, and to serve as the “Tax Matters Partner” of the Company for purposes of Section 6231(a)(7) of the Code, with power to manage and represent the Company in any administrative proceeding of the Internal Revenue Service in his sole discretion, provided that he shall make any tax election requested by the remaining Members holding a Majority Interest if such election does not materially increase the tax obligations of any other Member.

ARTICLE IX
DISSOLUTION

9.1 **Duration and Dissolution.** The Company shall be dissolved and its affairs shall be wound up upon the first to occur of the following:

(a) the Managers unanimously vote for dissolution; and

(b) the entry of a decree of judicial dissolution under Section 44 of the Act.

9.2 **Winding Up.** Subject to the provisions of the Act and, unless otherwise required by law, upon any dissolution of the Company the Manager shall have the right and obligation to wind up the Company’s affairs in accordance with the Act and shall also have the right to act as or appoint a liquidating trustee in connection therewith.

9.3 **Distribution of Assets.** Upon the winding up of the Company, once the Company has made payment of, or adequate provisions for, the debts, expenses and obligations of the Company, the remaining assets of the Company shall be distributed to the Members in accordance with Section 5.5(d) hereof.

9.4 **Cancellation of Certificate.** Upon the completion of the winding up of the Company and the distribution of the Company’s assets, the Company shall be terminated and the Manager shall cause the Company to execute and file a Certificate of Cancellation in accordance with Section 14 of the Act.

9.5 **Disassociation; No Dissolution Upon Bankruptcy of Member; Resignation.** Notwithstanding any otherwise applicable provision of this Agreement, the Certificate or the Act:

(a) **No Disassociation Upon Member Bankruptcy.** No Member shall be disassociated from the Company by reason of the occurrence of any event of Bankruptcy (as defined in Section 2 of the Act) with respect to such Member (a “Member Bankruptcy”), and such Member shall continue as a Member of the Company upon, during and following any such Member Bankruptcy.
(b) **No Dissolution Upon Member Bankruptcy.** The Company shall not be dissolved or otherwise terminated by reason of any Member Bankruptcy, and the Company shall continue its existence as a limited liability company upon, during and following any Member Bankruptcy.

(c) **Member Resignation.** No Member may resign from the Company or otherwise disassociate itself from the Company without the affirmative vote of the Manager.

**ARTICLE X**
**EXCULPATION AND INDEMNIFICATION**

10.1 **Exculpation.** Notwithstanding any other provisions of this Agreement, whether express or implied, or obligation or duty at law or in equity, none of the Managers or Members, any of their respective officers, directors, stockholders, partners, members, employees, representatives or agents, or any director, officer, employee, or representative, or any member of the Manager, or agent of the Company or any of its affiliates (individually, an “Indemnified Person” and collectively, the “Indemnified Persons”) shall be liable to the Company or any other Person for any act or omission (in relation to the Company, this Agreement, any related document or any transaction or investment contemplated hereby or thereby) taken or omitted in good faith by an Indemnified Person and in the reasonable belief that such act or omission is in or is not contrary to the best interests of the Company and is within the scope of authority granted to such Indemnified Person by this Agreement, provided that such act or omission does not constitute fraud, willful misconduct, bad faith or gross negligence.

10.2 **Indemnification.** To the fullest extent permitted by applicable law, the Company shall indemnify and hold harmless each of the Indemnified Persons from and against any and all losses, claims, demands, liabilities, expenses, judgments, fines, settlements and other amounts arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative, in which the Indemnified Person may be involved, or threatened to be involved, as a party or otherwise, by reason of its management of the affairs of the Company or which relates to or arises out of the Company or its property, business or affairs (a “Claim”). An Indemnified Person shall not be entitled to indemnification under this Section 10.2 with respect to any claim, issue or matter in which it has engaged in fraud, willful misconduct, bad faith or gross negligence. The Company shall advance to any Indemnified Person reasonable attorneys’ fees and other costs and expenses incurred in connection with the defense of any such Claim if the Indemnified Person agrees in writing before any such advancement that he will reimburse the Company for such fees, costs and expenses to the extent that it is determined that he was not entitled to indemnification under this Section 10.2.

**ARTICLE XI**
**MISCELLANEOUS**

11.1 **Power of Attorney.** Each Member does hereby irrevocably constitute and appoint each Manager and any Person which becomes an additional or substituted Manager and any of the foregoing acting alone, in each case with full power of substitution, its true and lawful agent and attorney-in-fact, with full power and authority in its name, place, and stead, to make, execute, acknowledge, swear to, attest, seal, deliver, file, register, and record such documents and instruments as may be necessary, convenient, or advisable, in the sole discretion of any such attorney-in-fact, to carry out the provisions of this Agreement, including (a) such amendments to this Agreement and the Certificate as are necessary, convenient, or advisable as are described below or to admit to the Company any additional or substituted Member in accordance with the terms and provisions of this Agreement, (b) such documents and instruments as are necessary to cancel the Certificate, (c) an amended Certificate reflecting the terms of this Agreement, (d) all
certificates and other instruments deemed necessary, convenient, or advisable by the Manager to permit the Company to become or to continue as a limited liability company wherein the Members have limited liability in the jurisdictions where the Company may be doing business, (e) all fictitious or assumed name certificates required or permitted to be filed on behalf of the Company, and (f) all other instruments which may be required or permitted by law to be filed on behalf of the Company. The foregoing power of attorney is coupled with an interest and shall be irrevocable and survive the death, dissolution, bankruptcy, or incapacity of any Member.

11.2 Title to Company Property. All Company Property shall be deemed to be owned by the Company as an entity, and no Member, individually, shall have any ownership of such property. The Company may hold any of its assets in its own name or in the name of its nominee, which nominee may be one or more trusts, corporations, individuals or other entities. Any property held by a nominee trust for the benefit of the Company shall, for purposes of this Agreement, be treated as if such property were directly owned by the Company.

11.3 Representations and Warranties of the Members. Each Member hereby represents, warrants and covenants to the other Members that the following are/were true and correct as of the date of admission as a Member of the Company:

(A) such Member has/had full power and authority to execute, deliver, and perform this Agreement in accordance with its terms, and this Agreement constitutes the valid and binding obligation of such Member, enforceable against such Member in accordance with its terms; and

(B) no Event of Bankruptcy has occurred with respect to such Member.

11.4 Investment Representation. Each Member represents to the Company and the other Members that (i) such Member has such knowledge and experience in financial and business matters that the Member is capable of evaluating the merits and risks of an investment in the company and making an informed investment decision with respect thereto, (ii) such Member is able to bear the economic and financial risk of an investment in the Company for an indefinite period of time and understands that such Member has no right to withdraw and have its interest repurchased by the Company, (iii) such Member is acquiring an interest in the Company for investment only and not with a view to, or for resale in connection with, any distribution to the public or public offering thereof, (iv) such Member understands that the equity interests in the Company have not been registered under the securities laws of any jurisdiction and cannot be disposed of unless they are subsequently registered and/or qualified under applicable securities laws, or in accordance with an applicable exemption therefrom, and the provisions of this Agreement have been complied with and (v) if such Member is an entity, the execution, delivery and performance of this Agreement do not require it to obtain any consent or approval that has not been obtained and do not contravene or result in a default under any provision of any existing law or regulation applicable to it, any provision of its organizational documents, including without limitation its charter, by-laws or other governing documents (if applicable), or any agreement or instrument to which it is a party or by which it is bound.

11.5 Amendments of the Agreement. Amendments to this Agreement may be made from time to time upon the approval of the Manager and a Majority in Interest, except that no amendment may reduce any class of Units’ share of the Company’s Profits, Losses, Distributions or Allocations without the consent of a Majority in Interest of the adversely affected Class. However, the Managers may amend this Agreement without the approval of the Members to (i) reflect changes validly made in the ownership of Units or Economic Interests and the Capital Contributions of the Member, (ii) reflect a change in the name of the Company, (iii) make any change that is necessary to cure any ambiguity, to correct or supplement any provision of this
Agreement that would be inconsistent with any other provision contained herein, in each case so long as such change does not adversely affect any Members in any material respect, (iv) make a change that is necessary or desirable to satisfy any requirements, conditions, or guidelines in any opinion, directive, order, statute, ruling or regulation of any federal, state or local governmental entity so long as such change is made in a manner which minimizes any adverse effect on the Members and (v) make any other amendments that in the opinion of the Manager may be necessary or advisable provided that such amendments do not adversely affect the Members in any material respect.

11.6 Successors, Counterparts. This Agreement (i) shall be a legal, valid and binding agreement of the Company and the Members enforceable against the Company and each Member in accordance with its terms and (ii) may be executed in several counterparts with the same effect as if the parties executing the several counterparts had all executed one counterpart.

11.7 Waiver of Action for Partition. Each Member irrevocably waives during the term of the Company any right that such Member has or may have to maintain any action for partition with respect to the property of the Company.

11.8 Governing Law; Consent to Jurisdiction; Waiver of Jury Trial. This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Massachusetts without giving effect to the principles of conflict of laws thereof. In particular, this Agreement shall be construed to the maximum extent possible to comply with all the terms and conditions of the Act. Each Member hereby irrevocably consents to the exclusive jurisdiction of the state and federal courts sitting in Boston, Massachusetts in connection with any matter or dispute relating to or arising under this Agreement or relating to the affairs of the Company. Further, each of the parties to this Agreement hereby waives any and all rights such party may have to a trial by jury in connection with any such matter or dispute.

11.9 Severability. If it shall be determined by a court of competent jurisdiction that any provisions or wording of this Agreement shall be invalid or unenforceable under the Act or other applicable law, such invalidity or unenforceability shall not invalidate the entire Agreement. In that case, this Agreement shall be construed so as to limit any term or provision so as to make it enforceable or valid within the requirements of any applicable law, and, in the event such term or provisions cannot be so limited, this Agreement shall be construed to omit such invalid or unenforceable terms or provisions. If it shall be determined by a court of competent jurisdiction that any provision relating to the distributions and allocations of the Company or to any expenses payable by the Company is invalid or unenforceable, this Agreement shall be construed or interpreted so as (i) to make it enforceable or valid and (ii) to make the distributions and allocations as closely equivalent to those set forth in this Agreement as is permissible under applicable law.

11.10 Integration. This Agreement constitutes the entire agreement among the parties pertaining to the subject matter hereof, and supersedes all prior agreements and understanding pertaining thereto. No covenant shall affect or be deemed to interpret, change or restrict the express provisions hereof.

11.11 Filings. Following the execution and delivery of this Agreement, the Manager shall promptly prepare or cause to be prepared any documents required to be filed and recorded under the Act and shall promptly cause each such document to be filed and recorded in accordance with the Act and, to the extent required by applicable law, to be filed and recorded or notice thereof to be published in the appropriate place in each jurisdiction in which the Company may hereafter establish a place of business. The Manager shall also promptly cause to be filed,
recorded and published such statements of fictitious business name and any other notices, certificates, statements or other instruments required by any provision of any applicable law of the United States or any state or other jurisdiction which governs the conduct of its business from time to time.

11.12 **Headings.** Section and other headings contained in this Agreement are for reference purposes only and are not intended to describe, interpret, define or limit the scope or intent of this Agreement or any provision hereof.

11.13 **Additional Documents.** The Members agree to perform all further acts and execute, acknowledge and deliver any documents that may be reasonably necessary to carry out the provisions of this Agreement.

11.14 **Notices.** All notices, requests and other communications shall be in writing (including facsimile or similar writing) and shall be given to the Members (and any other Person designated by any Member) at its address or facsimile number set forth on Exhibit B attached hereto or such other address or facsimile number as such Member may hereafter specify for the purpose by notice. Each such notice, request or other communication shall be effective (a) if given by facsimile, when transmitted to the number specified pursuant to this Section 11.13 and the appropriate confirmation is received, (b) if given by mail, 72 hours after such communication is deposited in the mails with first-class postage prepaid, addressed as aforesaid, or (c) if given by any other means, when delivered at the address specified pursuant to this Section 11.13.

11.15 **Waivers.** The failure of any party to seek redress for violation of or to insist upon strict performance of any covenant or condition of this Agreement shall not prevent a subsequent act, which would have originally constituted a violation, from having the effect of an original violation.

11.16 **Rights and Remedies Cumulative.** The rights and remedies provided by this Agreement are cumulative and the use of any one right or remedy by any party shall not preclude or waive the right to use any or all other remedies. Said rights and remedies are given in addition to any other rights the parties may have by law, statute, ordinance or otherwise.

11.17 **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed an original but all of which shall constitute one and the same instrument.

11.18 **Separate Counsel.** Each Member has been represented by legal counsel chosen by such Member in connection with the negotiation, documentation, execution and delivery of this Agreement.
