RECOMMENDATION

Commission staff recommend final licensure with the following conditions:

1. The licensee may cultivate, harvest, possess, prepare, produce, and otherwise acquire marijuana, but shall not dispense, sell, or otherwise transport marijuana to other Medical Marijuana Treatment Centers, or to patients, until upon inspection, receiving permission from the Commission to commence full operations;
2. The licensee is subject to inspection to ascertain compliance with Commission regulations;
3. The licensee remains suitable for licensure;
4. The licensee shall cooperate with and provide information to Commission staff;
5. Licensure is subject to notification to the Commission of any update to written operations plans required by 935 CMR 501.105(1) prior to the issuance of a commencement of operations and that Commission staff be given adequate opportunity to review said plans at the business location or the location where any such plans are maintained in the normal course of business;
6. Prior to commencing operations, the licensee shall submit to Commission staff, upon inspection, an updated timeline for its MTC license with a dispensary location in Taunton to become operational;
7. The licensee shall have completed all construction and buildout of its dispensary facility, obtain a certificate of occupancy for the dispensary facility, and completed all required

inspections of the dispensary facility within 120 days of the issuance of this final license;
and

8. If the licensee fails to achieve operation of its dispensary facilities on or before the date specified in condition #7, the licensee shall be deemed to have ceased to operate and its license shall be deemed void in accordance with 935 CMR 501.415.

The licensee has demonstrated compliance with the laws and regulations of the Commonwealth and suitability for licensure. Therefore, the licensee is recommended for final licensure.

As part of the approval of final licensure, the Commission authorizes staff to take all necessary actions to review compliance with the above-referenced conditions and to approve the commencement of operations.
