

Summaries of Public Comment on Proposed Delivery License Regulations

Name	Entity/Org	Topic	Subtopic(s)	Adult Use/Medical	Summary
Ricardo Acevedo		Delivery	Fees, Security, Operational Requirements	Adult-Use	Believes that fees should be eliminated for all SEP and EEA applicants. Also believes the security requirements are outrageous and onerous. Operational requirements regarding same-day delivery for LDL and shelf-stable product limits will hurt business' ability to succeed.
Jeff Barton	Bountiful Farms	Delivery	MTCs, Wholesale	Medical	Would like MTCs to have the ability to wholesale marijuana products under the same standards proposed for CMOs and not be restricted by patient supply mandates.
Daniel Berger		Delivery	Drivers, Social Equity Program	Adult-Use	Believes two drivers are not necessary for safe operations of Delivery businesses. Would like Social Equity participants who hold Micrbusiness licenses to be allowed to also hold LDL, WDL, and Social Consumption licenses.

Name	Entity/Org	Topic	Subtopic(s)	Adult Use/Medical	Summary
Christopher		Delivery	Operational Requirements, Repackaging	Adult-Use	Does not believe WDL should have to transfer products in a sally port or garage. Would like WDL to repackage products
Kevin Gilnack		Delivery	Exclusivity Period	Adult-Use	Would like the exclusivity period extended to at least 5 years. Offers suggestions on license names,
Danielle Grossman		Delivery	Drivers	Adult-Use	Would like the Commission to allow only one driver in a vehicle at a time.
Veronica Santarelli	Grassp Health	Delivery	Drivers	Adult-Use	Would like the Commission to allow only one driver in a vehicle at a time.
Dave Johnson	Grassp Health	Delivery	Drivers	Adult-Use	Would like the Commission to allow only one driver in a vehicle at a time.
Sean Hempseed		Delivery	Third-Party Technology Platforms	Adult-Use	Worried that out of state businesses are using equity applicants to gain entry to the delivery market.
Ted Pietras		Delivery	Delivery	Adult-Use	Supports the two delivery license model
Mayor Joseph Petty	City of Worcester	Delivery	Municipalities	Adult-Use	Worried that WDL will decrease revenue to municipalities. Believes towns will need time to change zoning and local ordinances to comply with new regulations.

Name	Entity/Org	Topic	Subtopic(s)	Adult Use/Medical	Summary
Morriss Partee	Emerald River, LLC	Delivery	Packaging, Branded Goods, License Name	Adult-Use	Would like delivery licensees to be able to repackage and have the same privileges as Retailers. Believes there is a discrepancy in 50.145 regarding branded good. Would like the license names to be clearer.
Ezra Parzybok	Greenglove Consulting	Delivery	Multi-State Operators	Adult-Use	Worried that MSOs are taking advantage of EE/SE applicants.
Dale Buckman		Delivery	Wholesale	Adult-Use	Believes WDLs will undercut and unfairly hurt operating brick-and-mortar establishments.
Jeff Herold		Delivery	Veterans	Adult-Use	Would like Veteran-Owned Businesses to qualify for the exclusivity period.
Nicholas Saba		Delivery	Wholesale	Adult-Use	Supports WDLs for equity applicants. Would like the towns where products are delivered to get some revenue.
Chris Mitchem	Diem Cannabis	Delivery	Delivery	Adult-Use	Very worried that delivery licenses will undercut retailers.
Jennifer Dudley		Delivery	Drivers	Adult-Use	Believes Delivery licenses will help communities like Brockton and believes they are a safer way of doing business and avoiding crime.

Name	Entity/Org	Topic	Subtopic(s)	Adult Use/Medical	Summary
MA Cannabis Association for Delivery		Delivery	Packaging, Equity, Drivers	Adult-Use	Advocates for one driver per vehicle, the exclusivity period to begin when the first WDL commences operations, and the ability to repackage
Beth D. McLaughlin	Department of Public Health	Delivery	Consumer Education	Adult-Use	Would like changes to regulatory language dealing with substance use disorder education materials.
Jason Backman	Alfred's Finest	Delivery	Packaging, Equity, Drivers	Adult-Use	Advocates for one driver per vehicle, the exclusivity period to begin when the first WDL commences operations, and the ability to repackage
Victor Chiang	Cypress Tree Management	Delivery	Retailers, Municipalities	Adult-Use	Believes that WDL will undercut Retail stores and once the exclusivity period ends, equity participants will be bought out. Also believes municipalities have not properly zoned for these establishments.
Mayor Dan Rivera	City of Lawrence	Delivery	Municipalities	Adult-Use	Believes Delivery licensees will be able to operate in municipalities which have been delivery establishments from being sited/delivering to. Also believes more time is needed to consult cities and towns and for them to develop zoning and bylaws.

Name	Entity/Org	Topic	Subtopic(s)	Adult Use/Medical	Summary
Alex Mazin	Bud's Goods and Provisions	Delivery	Retailers	Adult-Use	Asserts that WDL will undercut Retailers and hurt equity applicants after the exclusivity period ends. Advocates for caps on the number of vehicles licensees may have so as to reduce any one company from overwhelming the market. Supports LDL model.
Peter Bernard	MassSense	Delivery	Vehicles	Adult-Use	Advocates for a cap to the number of vehicles a licensee is permitted to have so as to avoid any one entity from controlling the market.
Geoffrey Beckwith	MA Municipal Association	Delivery	Municipalities	Adult-Use	Does not support WDL and believes they are a violation of Ch. 94G. Also raises local option tax implications and uncertainty. Believes delivery should be a substantial modification of Retail.
Danielle Gregoire	State Representative	Delivery	Delivery	Adult-Use	Believes WDLs are a violation of Ch. 94G and would like the Commission to work with local and state stakeholders to modify the license model.
James McCaffrey	Town of Millis	Delivery	Municipalities	Adult-Use	Does not support Delivery licenses and would like a moratorium until June 2021. Believes time will be needed in order to develop zoning and local bylaws.

Name	Entity/Org	Topic	Subtopic(s)	Adult Use/Medical	Summary
Grant Ellis		Delivery	Packaging, Equity, Drivers	Adult-Use	Would like stronger restrictions on third-party technology platforms. Advocates for one driver per vehicle, the exclusivity period to begin when the first WDL commences operations, and the ability to repackage
Beth Casavant	Town of Shrewsbury	Delivery	Municipalities	Adult-Use	Believes WDL's violate Ch. 94G and bypass local control. Would like more time for municipalities to work with the Commission to develop a better model.
Joseph Pacheco	Town of Raynham	Delivery	Municipalities	Adult-Use	Believes WDL facilities will be relatively unsecure and deliveries will bypass local control and hurt Retailers.
Lizzie Kirshenbaum	Weedmaps	Delivery	Packaging, Drivers	Adult-Use	Supports WDLs being able to repackage products, advocates for a change to the license name, and for one driver to make deliveries.
Christopher Fevry	MA Cannabis Association for Delivery	Delivery	Drivers	Adult-Use	MCAD presentation regarding their support for one driver per vehicle: https://docs.google.com/presentation/d/1pdIRX8A8oDjLCzDSliiazGOjiJICrzENdX7kBpOK3Yo/edit#slide=id.g9ffb91570_0_18
Michael Reardon	HVV Massachusetts, Inc.	Delivery	Retailers	Adult-Use	Believes WDLs will undercut and unfairly hurt operating brick-and-mortar establishments. Believes industry and municipalities were not consulted.

Name	Entity/Org	Topic	Subtopic(s)	Adult Use/Medical	Summary
Raphael Richter	Eagle Eyes Transport	Delivery	Transporters	Adult-Use	Would like clarification on whether establishments may have LDL and WDL licenses. Advocates allowing Transporters to obtain delivery licenses.
David Torrisi	Commonwealth Dispensary Association	Delivery	Delivery	Adult-Use	Believes the Commission acted too quickly and without input from stakeholders regarding WDL licenses. Requests time to work with stakeholders to develop a compromise. Offers comments on improvements to WDL model.
Michael Latulippe	Justness	Delivery	White Labeling	Adult-Use	Would like clarity regarding how LDLs can work with Retailers on white labeling.
Michael Hunnewell	Eskar	Delivery	Retailers	Adult-Use	Believes Delivery licenses will hurt retail establishments and municipalities.
Ericca Kennedy		Delivery	Delivery	Adult-Use	Supports the Commission's delivery licenses model.
E. Philip Brown	Mellow Fellows, LLC	Delivery	Delivery	Adult-Use	Does not support delivery licenses and believes the Commission should not have issued regulations with a short public comment period. Also claims the Commission is a lame duck.

Name	Entity/Org	Topic	Subtopic(s)	Adult Use/Medical	Summary
Mayor Domenic J. Sarno	City of Springfield	Delivery	Municipalities	Adult-Use	Does not support WDL and believes municipalities should have more input on developing regulations. Believes warehouses located in other municipalities present a public safety issue.
Paul Frost	State Representative	Delivery	Wholesale	Adult-Use	Does not support the WDL model.
Timothy Riley	Mellow Fellows, LLC	Delivery	Retailers	Adult-Use	Believes delivery licensing will undermine Retailers and harm equity applicants.
Jim Smith, et.al.	Smith, Costello & Crawford	Delivery	Delivery	Adult-Use	Believes the Commission does not have the authority to issue WDL licenses. Offer comments regarding the WDL/retail cap and municipal issues that may arise.
Mayor Robert Sullivan	City of Brockton	Delivery	Municipalities	Adult-Use	Believes the WDL regulation was rushed and the Commission did not properly consult municipalities. Does not believe WDLs will positively impact equity applicants.
Scott Winters	CNA Stores	Delivery	Retailers	Adult-Use	Would like retailers to be able to deliver their own products.
Heath Gaffney	MJ's Market	Delivery	Retailers	Adult-Use	Asserts that WDLs will undercut Retailers.

Name	Entity/Org	Topic	Subtopic(s)	Adult Use/Medical	Summary
Ethan Vogt	Home Grow Boston	Delivery	Packaging, Equity, Drivers	Adult-Use	Supports the two delivery license model. Would like to see one driver per vehicle and repackaging be allowed, an extension to the equity period, and the ability to sell seeds and clones.
Stephan Hay	State Representative	Delivery	Municipalities	Adult-Use	Believes WDL licenses undercut municipalities and retailers and that the regulations were rushed.
Ethan Felleman		Delivery	Operational Requirements	Adult-Use	Would like delivery hours extended.
Gabe Salazar	We Can Deliver	Delivery	Marijuana Accessories	Adult-Use	Would like LDLs to be able to sell marijuana accessories.
Stephen Reilly Jr.	INSA	Delivery	Retailers	Adult-Use	Believes WDL licenses will undercut Retailers and equity applicants as only a few entities will control a majority of the marketplace.
Warren Keller-Brittle	Gram Delivers	Delivery	Delivery, Drivers	Adult-Use	Supports the two license model and advocates allowing one driver per vehicle.
Jill M. Schafer	Prince Lobel	Delivery	Delivery, Retail	Adult-Use	Supports the Commission's reasoning to offer delivery licenses. Would like clarifying language regarding the definition of whether delivery licensees are considered retailers and language surrounding vehicle markings.
Jane Appleyard Allen	RTI International	Delivery	Delivery	Adult-Use	Offers comments regarding white labeling, packaging, license name, and vaping.

Name	Entity/Org	Topic	Subtopic(s)	Adult Use/Medical	Summary
Heidi Heilman	MA Prevention Alliance	Delivery	Diversion	Adult-Use	Worried about diversion to minnors and ability to enforce compliance.
Chirag Patel	GTE Franklin, LLC	Delivery	Retailers	Adult-Use	Believes WDLs will undercut retailers and eventually hurt equity applicants once the exclusivity period is complete.
Brian Striar		Delivery	Municipalities	Adult-Use	Believes the local option tax should be assessed in the town where the product was delivered.
Shaun Suhoski	Town of Athol	Delivery	Municipalities	Adult-Use	Advocates for more time for towns to review and comment on WDL regulations. Believes they may undercut retailers.
Rep. Hannah Kane, et.al.	State Representatives	Delivery	Legislation	Adult-Use	Does not believe WDLs are legal under Ch. 94G and undermines local work in developing retail by-laws.
Alex Athanas	PhytoTherapy, Inc.	Delivery	Retailers	Adult-Use	Believes WDLs will undercut brick-and-mortar establishments.
Chafic George	Cultivate Holdings, Inc.	Delivery	Retailers	Adult-Use	Believes WDLs will undercut brick-and-mortar establishments.
Alex Hardy	Ethos Cannabis	Delivery	Retailers	Adult-Use	Believes WDLs will undercut brick-and-mortar establishments.

Name	Entity/Org	Topic	Subtopic(s)	Adult Use/Medical	Summary
Kai Grant	AfriKai, LLC	Delivery	Packaging, Drivers	Adult-Use	Advocates against body cameras from being mandatory, supports one driver only, and the ability to repack products.
David Michaud		Delivery	Equity	Adult-Use	Approves the exclusivity period but would like the Commission to open the application process for the SEP again.
Matthew Huron	Good Chemistry Nurseries	Delivery	Retailers	Adult-Use	Believes more time is needed to develop consensus around WDL licenses and advocates for a number of regulatory revisions.
Paul Bockelman	Town of Amherst	Delivery	Municipalities	Adult-Use	Advocates against WDL.
Hillary King		Delivery	Wholesale	Adult-Use	Offers revisions to delivery regulations to improve the economic viability of both WDL and LDL.
Jensen Mejia	Florencia, LLC	Delivery	Delivery	Adult-Use	Advocates for a 6 month moratorium before delivery licenses are issued.
Justin Eppley	Terpene Journey LLC	Delivery	Wholesale	Adult-Use	Advocates for a cap to the number of licenses a WDL may control. Expand equity participants' ability receive delivery licenses.
Alisa Brewer	Town of Amherst	Delivery	Municipalities	Adult-Use	Does not believe that WDLs will assist equity applicants. Town has not zoned for any kind of delivery licensing.

Name	Entity/Org	Topic	Subtopic(s)	Adult Use/Medical	Summary
Rep. Mike Connolly	State Representative	Delivery	Delivery	Adult-Use	Supports Commission's two license model.
